Dear Parents,

As many of you are aware, W.O.H.S. will be moving to a six period semester schedule for the 2010-11 school year. A letter was sent out electronically last week. Unfortunately, some of you did not receive the notice. I would like to hold two meetings for parents next week to provide me the opportunity to provide you with information about the schedule change and for you to ask questions.

The meeting dates and times are:

Wednesday, February 24 @ 7:00-8:00 pm in the HS North Café.

Friday, February 26 @ 8:00 -9:00 am in the HS North Café.

If you did not receive the electronic memo last week, it can be located on the website: www.westottawa.net, under documents at the high school link. If you have any other questions, please feel free to give me a call.

Sincerely,

Kent Henson, Principal
