LUNCH SPECIAL

Hot Ham & Cheese Sub
Pasta Salad

GENERAL

Careerline Tech Center Observation Day February 3

If you signed up for the Friday, February 3, visit to the Careerline Tech Center, this week you will be issued a "ticket". On Friday morning, report to your 1st hour class, show your ticket to your 1st hour teacher where they will take attendance. Then, you may go directly to the bus pick up area where you will be checked in on to the bus. Make sure you hold on to your ticket, because you will need it for the return trip.

Remember, you will also need to turn in your Blue permission slip if you would like to attend.

Be prepared to drive in any type of weather...more than likely no snow during this winter!
Macatawa Driving School's next class begins February 6 from 7:00 - 9:00 pm.
All summer classes now available. Pick up an application at the receptionist desk or at
www.drivemacatawa.com

SENIORS

ATTENTION SENIOR PARENTS: The next Financial Aid workshop will be on Tuesday, February 7th from 4-6PM at Panera Bread at 3067 West Shore Drive. Parents and students can drop-in with general or specific FAFSA questions. Ms. Bedell, WOHS College Adviser and a Financial Aid expert from GRCC will be attending this workshop to help parents learn how to complete their FAFSA.

Seniors, if senior year is financially overwhelming for you, stop by the receptionist desk to get information about getting your senior fee waived.

CLUBS, CLASSES, COMMITTEES, AND ORGANIZATIONS:

This last Saturday West Ottawa hosted a Science Olympiad Invitational at the North High School. There were 17 teams from Michigan and Indiana in attendance. WOSO entered two teams with 21 students participating. This year we divided our teams evenly, rather than putting together a "varsity" squad. We ended up winning 5 events, we took 2nd in 4 events and 3rd in 10. In all we medaled in 19 of the 23 events. When it was done our two teams took 3rd and 4th place overall. The winning team was Northridge HS from Indiana. Grand Rapids Christian was second

If our team had not split we would have won the tournament by 6 points. We are very proud of the work our students have done in an effort to give WOSO such a great start to the season.

Our next invitational is at Thornapple-Kellogg on Feb 12.
