Dear Parents,

Here it is--our final newsletter of the 2009-2010 school year. It has truly been an incredible year for me as your principal. Thank you for sending us your children each day and for everything you do to support them, their teachers, and our school.

President Obama remarked earlier this week in his graduation address to Kalamazoo Central High School that "...excellence comes from perseverance...and there is no excuse for giving anything less than your best efforts." We send this message to our students each day by our words and actions, and we'd like your input to ensure we're living up to that idea. Please take a second to follow the link below to complete a brief ten question survey on our service to you and your children this year.

Have a wonderful summer!

LOST AND FOUND!!

If you've recently lost a digital camera (you will need to identify) or have found a purple ipod in an armband (used for running) near the school premises, please call the school office @ 786-1800.

Also, the children's lost and found inside the school is overflowing with items that have not been claimed. Please check it out (located down the center hall just before you go out to the playground). These items will be donated when we leave for summer.

Special thanks to Jack's Greenhouse for helping Cadet Troop #2533 plant all these beautiful marigolds in the circle at the edge of the school front parking lot! They look great!!!
