How Can I Help???

The easiest way to help is by joining the PTA in the fall or upon your arrival at Lakewood.

Volunteer for something! Find a committee, large or small, to work on. Every voice counts when decisions are made.

Ask your child's teacher what their needs are - if you don't have time to work in the class, what can you do at home to help?

Ask your child - the easiest way to help at school is to help at home with their work, reading or just listening to the day's events.

Finally, participate in PTA fundraisers to ensure the quality programs we support can continue.
