VOLUNTEER PLEDGE

If I am assigned as a school volunteer, I accept the responsibility to serve in support of the educational program and supplement the work of the professional staff under their supervision. I understand that it is important to be reliable and unobtrusive, channel suggestions constructively, keep information confidential, and comply with the state laws and school board policies. I understand that, because West Ottawa diligently protects the safety of all students and community assets, my background will be checked for any criminal history. West Ottawa reserves the right to decline an individual's request to volunteer. (The same form can be used by all adult volunteers in the same household)
