Dear WOHS Junior,

As you know, this March you will be taking the very important Michigan Merit Exam (MME). A major component of the MME is the ACT + Writing test. By taking this test, you will receive a free, college reportable ACT score. This is essential for your admittance to many colleges and universities. It may also qualify you for scholarships. **All of you** should be planning on applying for some form of post secondary education (trade school, 2 or 4 year college or university program). The job market today, demands this type of training!

West Ottawa High School has provided you access to an online practice ACT + Writing test. Access to this site will give you:

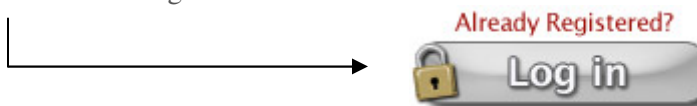

- Practice tests with real ACT test questions
- Practice essays for the new optional ACT Writing Test, with real-time scoring
- Comprehensive content review for each of the ACT's four required tests—English, Math, Reading, and Science
- Diagnostic test and personalized Study Path
- Anywhere, anytime access via the Internet

To access this site, go to: <http://www.actstudent.org>

1. "Click" on the ACT Online Prep button.

2. "Click" on the Log in button.

3. Use the **username** and **password** on the enclosed form.

Take your time to look through the various study tips and test taking strategies for the ACT test. When you are ready, log on and give it a try. You will get feedback from ACT.

The MME test is very important for you and WOHS. I hope this helps you prepare for the ACT + Writing test. If you have any questions, please don't hesitate to call or email me.

Sincerely,

Kent Henson, Principal
