January 2015

Dear Friends:

As part of our extensive community planning associated with our bond proposal, Glerum school will be re-purposed in the very near future as our new transportation center. The re-purposing creates the displacement of our students who currently attend Glerum for next year. The administration has worked with School Bus Consultants to assist us in dividing the current Glerum attendance areas into Woodside, Great Lakes and Pine Creek. Please see the map below with changes. A majority of the students will attend Woodside with many more attending Great Lakes.

Students who currently live in Waverly Shores will now attend North Holland and students who live in Windmill Estates will now attend Pine Creek. Families that currently live in one of these two West Ottawa neighborhoods and wish to remain in their current building will be allowed to stay.

The attendance areas for Waukazoo, Lakewood, Lakeshore and Sheldon Woods were not changed.

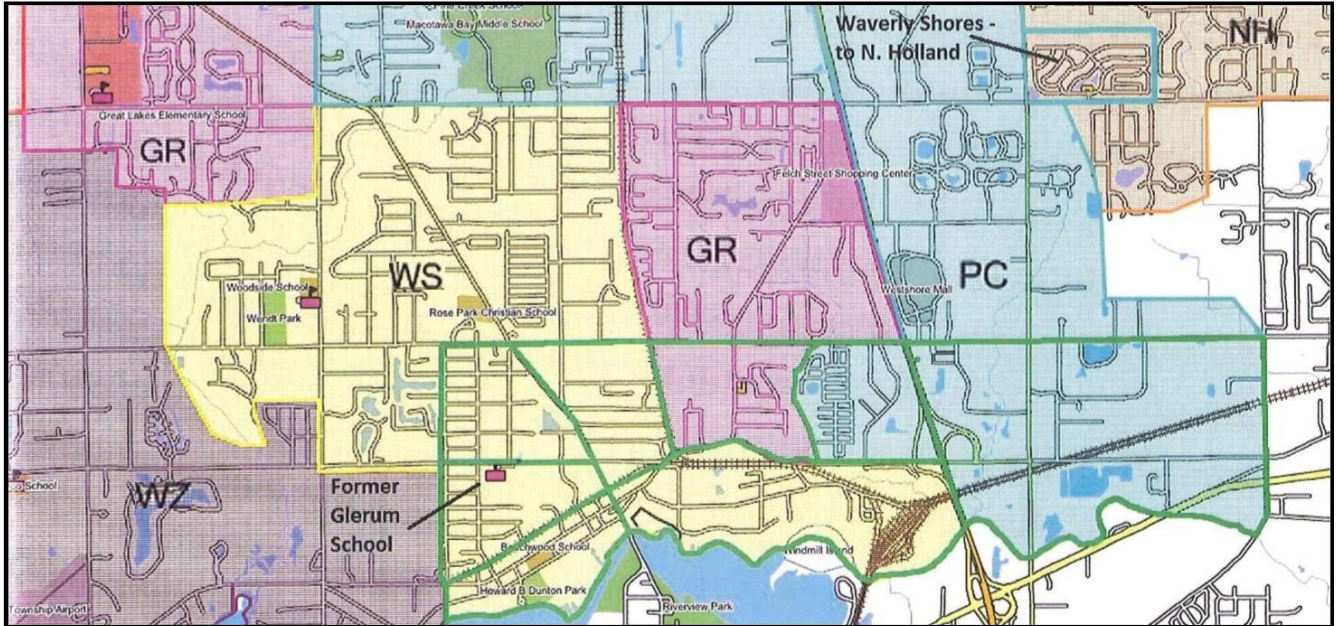

If your family is impacted by these changes and it is unclear as to where your child will attend, please contact Students Services at 738-5720.

Sincerely,

Tom
