This is a perfect job for a semi-retired person, a stay-at-home parent, someone needing a little extra cash, etc. We provide paid training and help new hires obtain a CDL-B driver's license. The job begins by filling in as a sub bus driver on an open run and then may eventually move up to an assigned run of your own with a pay increase. All of our buses are easy to operate - one of the newest bus fleets in West Michigan.
