Preparing meals

Preparing 1000's of meals...

A group of people are working together in a community center to pack meals. They are standing around a long table covered with a patterned cloth. The table is filled with many small, white, rectangular meal packets. Some of the packets have the text "CHANGE the way you think about LUNCH" and "MyPlate" on them. A woman in a red shirt is on the left, and a man in a grey shirt is on the right. Other people are visible in the background, also working on packing meals. The room has a tiled floor and a drop ceiling with recessed lights. A clock is visible on the wall in the background.

Backing expertise!

A photograph showing the front of two yellow school buses parked side-by-side. The buses are facing each other, creating a narrow aisle between them. The front of the buses features large rectangular windows, multiple round headlights, and red emergency lights. The scene is brightly lit, suggesting daylight. On the left side of the image, there are decorative diagonal stripes in blue, grey, and white. A blue rectangular box with white text is positioned in the lower-left area of the image.
