

COVID-19 DASHBOARD

West Ottawa Public Schools (WO) will share an updated COVID-19 Dashboard graphic each Monday afternoon. Due to HIPAA (Health Insurance Portability and Accountability Act) and FERPA (Family Educational Rights and Privacy Act) laws, no personal information will be given.

When WO administrators receive notification of a positive case, they connect with the county health department who traces, and directly contacts those in close contact of that person. WO will notify the school family of the case and the actions taking place.
