### PRINCIPAL'S CORNER

Greetings Lakewood Families,

This is the last newsletter of the 2020-21 school year. I want to thank everyone for their support of Lakewood Elementary over the course of this year. It has never been more evident how much our community cares for Lakewood than during this crazy year. With all of the changes, the inability for parents to come into the school, and the constant threat of having to miss school for long periods of time, we managed to stay strong through it all.

This year's fundraiser, "Leggin' it for Lakewood", was a huge success. We were able to raise nearly \$12,000.00. All of the classes met their goal and the top two classes (upper el and lower el) who earned a pizza party were Ms. Hilldore's class and Mrs. Dunn's class. The individual top earners (two upper el and two lower el) who won a Laser Tag adventure from BAM were Leo Otteman, Charlotte Koster, Lucy Keen and Rene Silvas. Congratulations to the classes and individuals and a huge thank you to all of you for making this happen for Lakewood!

I can't say enough good things about our wonderful community, our awesome staff and our incredible students. It is a pleasure to serve in such a welcoming and caring environment. I look forward to an even better school year next year and I truly hope everyone has an enjoyable and fun summer vacation!

Sincerely,

Michael Ghareeb

## SPANISH SPOTLIGHT WITH SEÑORA DILLON

Another great year of learning at Lakewood! All of the students worked incredibly hard in Spanish class. We learned many new Spanish words and had fun exploring cultural aspects as well. I hope kids will continue to practice Spanish over the summer. The Herick District Library is an awesome resource for bilingual books and DVDs. In addition, my website has several links for online practice:

# Moving with Metz!!

Hi Lakewood Families!

We did it! Made it through another school year. In Physical Wellness, students all did a fantastic job of being flexible and following the guidelines set in place this year. I was super impressed with all of my classes and the work they did this school year. Make sure to encourage your kids to get outside and be active this summer! There are so many different activities, sports, and games they can play to help them stay healthy! The possibilities are endless! I'm already looking forward to our return next fall. My wife, daughter, and I love heading out around Holland all summer. Make sure if you see us you say hi! Have a great summer everyone!

GO WO!

LAKEWOOD - WEST OTTAWA PUBLIC SCHOOLS

# THE TECH LAB

Week of 6/07-6/11

We are at the end of this school year, but we ended strong! Students programmed their Sphero Bolts with sounds, animations and roll codes using block coding. We finished up the year working on our "Sphero Stories" that students narrated. They also focused on a character (for their Sphero), setting and plot.

Lower elementary students listened to a story called "My Teacher is a Monster," and created pictures of a what they will do this summer on vacation! Students also had the opportunity to code with our Ozbot friends again!

We culminated the year with some fun coding activities! It was an Ozobot, Micro:bit and Sphero party! We also finished up this week with a fun end of the year Kahoot to wrap up our year!

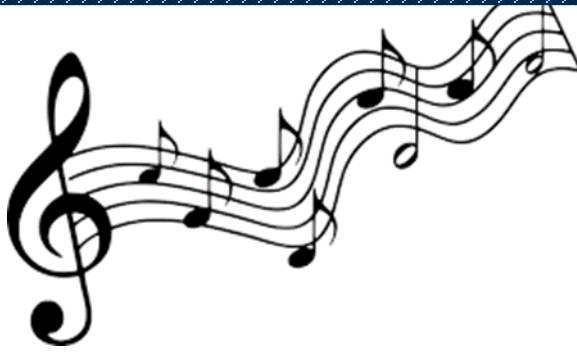

Have a wonderful and safe summer!

# GET IN THE LOOP WITH LAKEWOOD!

## MORNING DROP OFF

First bell rings at 8:35 AM. **Students arriving after 8:35 AM are considered tardy.**

To drop off a tardy student, **please park in the south parking lot and walk your student to the front office.**

**Please remember to sign in your student.**

## PICKING UP A STUDENT

If you need to pick up a student before normal dismissal time, **please give the front office a call and email your student's teacher.**

**After 9:00 AM**, you can park in the driveway directly in front of the office.

**Please remember to sign out your student.**

## SICK STUDENTS

Illness happens—we understand! If your student must stay home due to illness, **please call the front office. Tell us your student's name, teacher, and symptoms.**

**Call 616-786-1300 and press "1" for the attendance line.**

If a student becomes ill while at school, we may send the student home for monitoring with a parent or guardian. **Ensure your contact information and preferred emergency contacts are up to date in your student's file!**

## COVID-19 PROTOCOL

A reality of this school year has been managing the outbreak of COVID-19.

Students exhibiting at least **one primary COVID-19 symptom** OR at least **two secondary symptoms** must return home ASAP. To return to school, **students must:**

- Receive a **negative** COVID-19 test,
- Be signed off by a doctor (**DO or MD**), or
- Self-isolate for 10 days or until symptoms are gone—**whichever is longer.**

To return in less than 10 days, you **must** supply a negative test or doctor's note.

*\*\*Please see page 10 for detailed protocol.*

## Hearing & Vision Screenings

Children 3, 4 and 5 years of age.

Hearing and vision screenings are required prior to kindergarten and Head Start entrance, by the Michigan Public Health Code.

Schools require proof of the hearing and vision test. The health department offers the required hearing and vision screenings at no charge.

# COVID-19: FLOWCHART FOR SYMPTOMATIC INDIVIDUALS

Published by the Ottawa County Health Department

<sup>1</sup> If only one of the symptoms in group 2, follow school illness policy for return to school. Note that it is possible for people with COVID-19 to have no, or almost no, symptoms. If you have even ONE of these symptoms, you are encouraged to seek testing or consult your HCP for an alternative diagnosis.

<sup>2</sup> The staff member or student has a letter that 1) states the individual is not considered to have COVID-19, and 2) gives medical permission for the individual to return to school, and 3) provides a specific return to school date, and 4) is signed or countersigned by an MD or DO. See Appendix E.

<sup>3</sup> If a person is symptomatic and has a negative COVID-19 test for return to school, they must provide an official lab result including patient name, date of birth, laboratory name, test type, date of test and test result.

STATE OF MICHIGAN

GRETCHEN WHITMER  
GOVERNORDEPARTMENT OF HEALTH AND HUMAN SERVICES  
LANSINGELIZABETH HERTEL  
DIRECTOR

May 17, 2021

Dear Parents and Guardians:

As many Michigan schools are working hard with concluding the current school year, they are also preparing for the return of students for the 2021-2022 school year. The Michigan Department of Health & Human Services (MDHHS), Division of Immunization wishes to remind you that Michigan schools are required to report immunization information regardless of their mode of instruction (in-person, virtual, and combinations of both). Any student who fails to meet the school immunization requirements shall not be admitted, or able to participate in school classes and activities.

Although you are probably juggling a lot of responsibilities right now, making sure your children are up to date on their shots is one of the best things you can do to protect them against several serious but preventable diseases. Michigan has seen a sharp drop in vaccinations since the start of the pandemic, which is a frightening trend. When children are not vaccinated, they are at risk of getting diseases like measles, chicken pox, and hepatitis A. Falling vaccination rates can lead to new outbreaks of dangerous diseases. The enclosed document lists all vaccines required in Michigan for school entry.

If your child is not fully vaccinated, please reach out to your child's primary care provider to schedule an immunization appointment. Healthcare providers have taken steps to assure their offices are safe for visits and are available to answer any questions that you have. If your family does not have a primary care provider, or if you are not able to get an appointment for vaccines, many [local county health departments](http://www.Michigan.gov/LHDMap) ([www.Michigan.gov/LHDMap](http://www.Michigan.gov/LHDMap)) and some pharmacies are offering vaccine appointments.

Thank you for assuring your children are current on all immunizations. This protects not only them from vaccine preventable diseases, but also their classmates, teachers, and the community.

With kind regards,

A handwritten signature in cursive script, appearing to read "Terri Adams".

## Attention incoming 6th grade boys and parents!

See the letter below regarding a summer running opportunity.

Dear incoming 6th-8th grade boys and parents,

I hope the end of this strange school year is going well for you all. I was glad to see the boys running track, playing tennis, and acting in the play. As coach, I have two goals. I want you to have fun TOGETHER as a team, and I want you to IMPROVE as athletes.

Cross country traditionally starts as soon as school opens. We're hoping to start strong next season, so I'd like to encourage the boys to train over the summer. We've got an opportunity to run really fast next year; our sixth and seventh-grade times were competitive with the best programs in the state, but we need to keep working to accomplish our goals.

Improvement depends on setting small goals that will lead to larger ones and working consistently. One option is to track your mileage on this [form](#). I've included some goals on the form (with prizes). The second option is to run together at OPTIONAL workouts over the summer.

I'd love to get you guys together for some group runs this summer. Because they are OPTIONAL, you DON'T need a physical on file with the district (although you will need a physical once the season starts). These group runs are a great way to build a foundation for the season, train with the team, and have fun.

Coach Knoll, the high school coach, is running a camp for sixth-eighth graders too. Here's the [link](#) to register. It starts on July 19. You could even run with the high school guys on Monday mornings (Riley Trails: 8-9:30) if you're interested this summer.

Below, you'll find some training goals and details about our optional summer runs. Feel free to pass this along to other interested parents and runners.

### (Optional) Group Training Runs:

Tuesday **Night** Runs: [Riley Trails](#). 7:00-8:00 pm. **June 15-August 17**

Thursday **Morning** Runs: Mt. Pisgah parking lot (just west of The General Store). Speed and Strength. 8:00-9:00 am. **July 1-August 19**

### *Summer Running Program*

Becoming a stronger runner depends on consistency. Set goals and work regularly toward them. Keep a record of your running [here](#). I recommend at least one longer run each week and lots of fun, fast running.

**Sixth graders:** Try to run at least three days each week (but not more than five). Aim for 900 minutes between June and August. (That's a little over 60 minutes/week.)

**Seventh Graders:** Try to run at least three days each week (but not more than five). Aim for 1,000 minutes between June and August. (That's around 75 minutes/week.)

**Eighth Graders:** Try to run at least three days each week (but not more than five). Aim for 1,100 minutes between June and August. (That's about 85 minutes/week.)

**PRIZES** for reaching these goals will be awarded in September during the first week of practice. I may distribute additional prizes over the summer too!

I'm excited to run together this summer. Please, pass this along to any middle school boys (including incoming sixth-graders) who like to run.

Take care,

Eric Wilkinson

Kindergarten teachers tell us: When a child is curious, asks questions, is able to wait their turn and is comfortable in a classroom environment, it helps with being ready to learn.

Created by Ready for School and delivered by teachers, this Kindergarten Readiness Camp, combines the routines of a typical school day with outdoor exploration to build the academic and social-emotional skills that kindergarten teachers want to see in their students. **YOUR CHILD WILL REACH KINDERGARTEN MORE CONFIDENT, CURIOUS, AND SOCIALLY READY.**

Breakfast and lunch are provided daily. Transportation support is available. Priority is given to children who live in the Holland, Zeeland, Hamilton, or West Ottawa school district who have had little-to-no preschool, but all are welcome to apply! Partial to full scholarships available to children registered for kindergarten with our school partners and who qualify based on financial need.

# Pandemic EBT

**Important information for parents or guardians of student's eligible for Free and Reduced Lunch at Lakewood Elementary School.**

## What is the Pandemic-EBT Program?

The Pandemic-EBT (P-EBT) Program gives food benefits to families with children who were not able to get free or reduced-price school meals due to COVID. You may hear about this benefit from other schools or in the media.

## Who is eligible?

Being eligible for this program will depend on what school your student attends. Eligibility for the Pandemic-EBT (P-EBT) Program can be different between schools within the same district.

## What makes a school eligible for P-EBT?

A school building is eligible only if the building has had 5 school days in a row of reduced in-person hours due to COVID.

## What could make my student eligible for P-EBT?

- 1) If the school they attend is eligible for P-EBT **and**
- 2) If your student normally gets free and reduced meals at school **and**
- 3) If your student is not getting instruction in-person for some or all the month.

The Michigan Department of Health and Human Services (MDHHS) issues P-EBT benefits based on:

- How each school building reports their eligibility
- How most of the students attend school during the month

There may be months when your student's attendance was different from what the school reported. In that case, you may be able to have your student's benefit level reconsidered. Your request to be reconsidered must be submitted by June 30, 2021. In the month(s) below your school reported primarily in-person. Your student(s) may be P-EBT eligible if they attended class on-line, for some time or all the time in the following month(s):

September 2020, October 2020, November 2020, December 2020, January 2021, February 2021, and  
March 2021

 WEST OTTAWA  
 PUBLIC SCHOOLS

West Ottawa is looking to hire additional people for positions starting at \$16 per hour with summers off and no required nights, weekends or holidays. This is a perfect job for a semi-retired person, a college student, a stay-at-home parent, someone needing a little extra cash, etc. We provide paid training and help new hires obtain a CDL Chauffer base license. The job begins by filling in as a sub bus driver and may move up to an assigned run of your own with a pay increase. All of our buses are easy to operate – one of the newest bus fleets in West Michigan.

Please fill out an online application (see below) or contact the Director of Transportation at (616) 786-2045 if you are interested or know someone who might be interested. Immediate positions available.

### ***At West Ottawa...***

- We have one of the newest, best maintained and most up-to-date bus fleets in the West Michigan area.
- Buses are all equipped with automatic transmissions, automatic doors, air ride driver seat, air ride suspension – very comfortable and driver friendly.
- You DO NOT need to have a Commercial Driver License (CDL) to apply. We provide paid training to obtain all licensing necessary to be a safe school bus driver.

*Do you enjoy working with a great group of adults who love kids?  
 Are you looking for something to do for a few hours each day... that pays?*
