**ARTICLE 4
UNION RIGHTS AND REPRESENTATION**

- 4.01 **USE OF BUILDINGS AND EQUIPMENT** The Union and its representatives shall have the right to conduct Union business which involves the bargaining unit on school property or use school office equipment (except computers) at times which do not interfere with or interrupt school operations or the employees' duty time. The Union shall be responsible for proper use of all facilities and equipment, including leaving them in the same condition as they were prior to the Union's use. The Union shall pay for the reasonable cost of all materials and supplies incident to such use, and the cost of any repairs or replacement resulting from Union use.
- 4.02 **INFORMATION PROVIDED TO THE UNION** Upon request, the Employer agrees to provide the Union with any information required by law concerning the Employer and with reports relevant to WOTA.

A bargaining unit member shall not lose pay when participating in other joint District-Union activities during his/her work hours, such as negotiations, contract enforcement meetings, etc., if there is advance mutual agreement between the District and Union. In some cases the member may need to give up a field trip for such participation. In this situation, the member shall not lose pay for said trip. If the activity should conclude in time for the member to take the actual trip, then the member shall notify the office that they are able to do so. The member must allot enough time for the actual time of travel from the site of participation, pre-tripping/travel time to the site of said field trip.

**ARTICLE 5
EMPLOYEE RIGHTS AND PROTECTIONS**

5.01 **POLITICAL ACTIVITIES** Religious or political activities of any employee or lack thereof shall not be grounds for any discipline or discrimination with respect to the employment of such employee. The private and personal life of any employee is not within the appropriate concern or attention of the District, unless it adversely affects the District or the employee's ability to satisfactorily function as an employee.

5.02 **RULES AND REGULATIONS** All rules and regulations affecting members of the bargaining unit, and all changes in such rules and regulations, shall be posted, with written copies given to the Union President and to each employee prior to the implementation date of the rule or regulation.

5.03 **DISCIPLINE** No employee shall be disciplined for a reason that is arbitrary and capricious. Before disciplining an employee, the employee's supervisor or another school administrator will conduct an investigation. As part of that investigation, the supervisor or school administrator will meet with the employee to notify him/her of the alleged misconduct or performance issue, and give the employee the opportunity to respond. If the supervisor or school administrator determines that discipline is appropriate, he/she will choose a level of discipline that is not arbitrary and capricious. The level of discipline shall be guided by the following:

- A. The seriousness of the offense, infraction or misconduct.
- B. The employee's prior disciplinary and employment record.
- C. How employees engaging in similar or like offenses, infractions or misconduct have been disciplined in past comparable circumstances involving similarly situated employees.
- D. The existence of aggravating or mitigating factors.

The specific grounds for disciplinary action will be presented in writing to the employee and the Union within three (3) working days of the time discipline is imposed. The term "discipline," as used in this Agreement, includes written warnings, written reprimands, paid or unpaid suspensions, disciplinary reductions in pay, and discharges.

5.04 **DISCHARGE** It is agreed that the following will result in the discharge of a bus driver:

- A. Conviction for driving a motor vehicle under the influence of alcohol or a controlled substance.
- B. Accumulation of that number of "points" which, under Michigan law, precludes an individual from actively serving as a bus driver.
- C. Having a driving record which causes a bus driver to not be insurable under the District's insurance policy or insurable only at a higher premium rate than the other bus drivers.

- D. Section 5.04 shall not be construed as precluding the District from imposing disciplinary action that is less than that described for commission of the aforementioned offenses.
- 5.05 **VERBAL WARNINGS** When the District gives an employee a verbal warning or reprimand, the ONLY record of such a verbal warning or reprimand shall be:
- A. The District may place a short, one-sentence memo in the employee's personnel file containing a simple statement that a verbal warning or reprimand was issued. Example: "On March 30, 2002, John Doe was given a verbal warning about being late for work." A copy of the verbal warning shall be given to the employee and the Union.
 - B. The administrator may also prepare a more detailed summary of the meeting at which the verbal warning or reprimand is issued. This summary is for the administrator's recollection only, and shall be considered to be a private record of the administrator. It will not be placed in the employee's personnel file, or used for any other purpose.
- 5.06 **WARNINGS AND REPRIMANDS** Written warnings or reprimands will be given in the form of a formal letter with the full signature of the administrator taking the action. The letter will be delivered only after a meeting has been held at which the employee had an opportunity to be heard. A copy of a written warning or reprimand shall be given to the employee and to the Union.
- 5.07 **PROGRESSIVE DISCIPLINE** The District agrees to follow a system of progressive discipline. Examples of the discipline that may be imposed as part of a system of progressive discipline are: verbal and written warnings and reprimands, suspensions with or without pay, and discharge. A particular type of discipline may be imposed more than once and additional types of discipline may be utilized. The Employer may impose any penalty, up to and including discharge, as is reasonable under the circumstances, without first imposing less severe discipline on a progressive basis.
- 5.08 **RIGHT TO REBUT** Any employee who disagrees with a written disciplinary action may respond in writing and shall present a copy of the response to the appropriate administrator. This response shall be placed in the employee's personnel file, and shall be attached to all copies of the written disciplinary action issued by the Employer.
- 5.09 **NOTICE OF DISCIPLINE** The Employer shall timely (i.e. prior to the meeting) advise an employee if disciplinary action is likely to occur at, or result from, any meeting, and shall further advise the employee of his/her right to have a Union representative present.
- 5.10 **RIGHT TO UNION REPRESENTATION** An employee shall be entitled to have a Union representative present during any meeting which will or may lead to disciplinary action by the Employer, and/or at which discipline will be imposed. When a request for such representation is made, no action shall be taken until such representative of the Union is present. The District and the Union shall make reasonable accommodations so that the Union representative can be present and the meeting is held within a reasonable period of time.

- 5.11 **ACCESS TO PERSONNEL FILES** Employees shall have access to their own personnel files during normal business hours, provided that review of the files shall not interfere with normal duties and the Employer may reasonably schedule such access. A Union representative may accompany the employee in such a review. To the extent permitted by law, union representative(s) (whether in or out of the bargaining unit) may review employees' files for contract administration purposes or to provide representation in other administrative or legal proceedings.
- 5.12 **NON-DISCRIMINATION** The parties shall not discriminate on the basis of race, creed, religion, color, national origin or ancestry, age, sex, marital status, and/or handicap
- 5.13 **COMPLAINT PROCEDURES**
- A. Any complaint submitted by parents, students, or employees, or based on any other sources of information shall be discussed with the employee before it is included in the employee's record, and the employee will be given an opportunity to respond to the report. All complaints to be placed in an employee's file shall include the names of the complainants, date, and details of the complaint.
 - B. The District may ask any complainants to meet with the employee, to provide the employee and the complainants with the opportunity to resolve the issue.
 - C. Upon receipt of a complaint, the District shall investigate the complaint to determine its accuracy prior to placing it in the employee's personnel file or taking any other action. The complaint will be placed in the employee's personnel file only if the complaint is found to be accurate by the administration. If the complaint is found to be inaccurate by the administration, the complaint and all copies of the complaint will be destroyed. If the investigation by the District does not provide sufficient evidence to determine whether the complaint is accurate or not, the complaint and all investigative documents will be maintained in an investigative file.
 - D. If the employee believes that the personnel file contains information concerning a complaint which is false, the employee may utilize the contractual grievance procedure to have said material removed and destroyed.
 - E. The employee shall have the right to attach a written response to any complaint, and this written response will be attached to all copies of the complaint.
 - F. Complaints shall be promptly investigated. A complaint against an employee may not be used as a basis for disciplinary action unless the complaint was called to the attention of the employee during the investigation. The District may elect not to investigate complaints that are minor or frivolous in nature; a complaint that is not investigated may not be used as a basis for disciplinary action.

**ARTICLE 6
GRIEVANCE PROCEDURE**

- 6.01 **GRIEVANCE DEFINED** A grievance shall be defined as a claim or complaint by an employee, group of employees or the Union that there has been a violation of any provision of this Agreement.
- A. The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties.
 - B. This grievance procedure shall not prevent any individual employee from presenting a concern or grievance and having the concern or grievance adjusted without intervention of the Union, provided that the adjustment is not inconsistent with the terms of this Agreement, and further provided that the Union is given an opportunity to be present, and further provided that individual grievants shall not have the right to process grievances at Step 5.
- 6.02 **NON-GRIEVABLE SUBJECTS** The following matters shall not be the basis of any grievance filed under the procedures outlined in this article:
- A. The content of any job description.
 - B. The qualifications, certifications and/or licenses required for any position.
 - C. Any matter which is within the jurisdiction of the EEOC, the Michigan Department of Civil Rights, MESC, or Workers Compensation.
- 6.03 **TIMELINES** Failure of the grievant(s) or the Union to initiate a grievance or to appeal a grievance to the next level of the procedure within the time limits specified shall be deemed a withdrawal of the grievance. Failure of the Employer to respond at any level within the time lines specified shall constitute denial of the grievance and shall enable the Union to appeal to the next level of the grievance procedure.
- 6.04 **“DAYS” DEFINED** The term “days” when used in this article shall mean student attendance days, except during summer vacation, when the term “days” shall mean week days (excluding holidays). Time limits may be extended by mutual written agreement of the parties.
- 6.05 **STEP ONE – OPTIONAL INFORMAL MEETING**
- The grievant(s) shall have the option to request an informal meeting with the immediate supervisor to present and discuss the concern before a formal grievance is filed. The grievant may request a member of the Union to be present at this meeting. A formal grievance may be filed in the event a concern, complaint or grievance cannot be resolved by informal discussion.
- 6.06 **STEP TWO - SUPERVISOR’S LEVEL**
- The grievance shall be submitted in writing to the immediate supervisor, with a copy to the Union representative, within twenty (20) days after becoming aware of the alleged violation on which the grievance is based. Within ten (10) days of receiving the grievance, the immediate supervisor shall meet with the grievant(s) and/or the Union to hear the grievance. Within ten (10) days of this grievance meeting, the

immediate supervisor shall present his/her decision in writing to the grievant(s) with a copy to the Union representative.

A formal grievance must be presented in writing on the grievance form (attached as Appendix B and incorporated herein) and shall state the date submitted, the date of the violation, who is affected, the nature of the grievance, what sections of the contract have been violated, and the relief sought. Any grievance presented in writing by the grievant(s) or the Union shall be answered in writing.

If a grievance arises from the actions of an authority higher than the immediate supervisor of the grievant(s), the grievant(s) may present such grievance at the appropriate step of the grievance procedure.

6.07 **STEP THREE - SUPERINTENDENT'S LEVEL**

If the grievance has not been satisfactorily resolved at Step 2, the grievant(s) may within ten (10) days of receipt of the supervisor's decision submit an appeal to the superintendent or his/her designated representative. The superintendent or his/her designated representative shall, within ten (10) days after receipt of the grievance, meet with the Union representative and the grievant(s) for the purpose of resolving the grievance. The superintendent or his/her designated representative shall within ten (10) days after the hearing render his decision in writing to the grievant(s) with a copy to the Union representative.

6.08 **STEP FOUR - BOARD LEVEL**

If the grievance has not been satisfactorily resolved at Step Three, the grievant(s) may within ten (10) days of receipt of the superintendent's or his designated representative's decision submit an appeal to the Board of Education through the superintendent's office. The Board of Education shall, at its next meeting which is at least ten (10) days after receipt of the grievance, meet with the grievant(s) and with representatives of the Union for the purpose of reviewing the grievance. The meeting shall be public or private, at the option of the grievant(s), and to the extent permitted by law. The Board shall, no later than its next meeting, render its decision in writing to the grievant(s) with a copy to the Union representative.

- 11.02 The Director of Transportation, or his/her designee (who is not a bargaining unit member), shall be responsible for conducting appraisals of transportation employees.
- 11.03 Appraisals are intended, in part, to provide employees with an opportunity for growth. The appraiser will identify employee strengths, as well as any areas that need improvement.
- 11.04 For any area rated "needs improvement," the appraiser will include specific suggestions for improvement. For any area rated "unsatisfactory," the appraiser will include a "Required Improvement Plan." The "Required Improvement Plan" will identify the specific area(s) to be improved; contain suggestions or strategies for improvement; identify the assistance, if any, to be provided by the administration; and specify the date by which improvement must be shown.
- 11.05 Upon request of the employee or supervisor, there shall be a conference between the employee and appraiser to discuss the appraisal and any suggestions for improvement. An employee shall have the right to Union representation at any appraisal conference.
- 11.06 If any changes are made in the appraisal as a result of the conference, the appraisal shall be revised, and the employee shall be provided with a copy of the revised appraisal.
- 11.07 The employee shall be provided a copy of the final appraisal (including any Required Improvement Plan) and shall sign the appraisal. The employee's signature is to acknowledge receipt of a copy of the document, not agreement with its contents.
- 11.08 The employee has the right to attach a letter of response or rebuttal to the appraisal, and this response shall be attached to all copies of the appraisal.
- 11.09 The appraisal, including any appraisal conference, shall be completed by the end of the school year (i.e. June 30th).

Any such self-appraisals done voluntarily shall be for the employee's personal use, shall not be shared with the evaluator(s), and shall not be part of the appraisal prepared by the Director of Transportation or his/her designee.

- 11.13 If, during the appraisal process, a supervisor edits or modifies an employee's appraisal in any way whatsoever, all earlier drafts of the appraisal shall be expunged from all District files. Only the final draft of an employee's appraisal shall be included in District files.

**ARTICLE 12
SENIORITY**

- 12.01 **SENIORITY DEFINED** Seniority shall be determined on a classification by classification basis and shall be defined as the length of time an employee has been employed in a particular classification. For purposes of seniority, the following are the two classifications: bus driver, and bus aides. Accumulation of seniority shall begin from the employee's first day they are eligible to drive or aide a regular run. If an employee transfers from one classification to another, his/her seniority in the classification from which he/she transferred shall be frozen.
- 12.02 **PROBATIONARY PERIOD** Newly hired employees shall serve a probationary period of thirty (30) driving days prior to receiving a permanent run and thirty (30) driving days after receiving a permanent run. Days when the probationary employee is absent shall not count. For the purpose of seniority, a bus driver will be placed on the seniority list as soon as they are eligible to drive a regular run even if they are in the probationary period.
- 12.03 **SENIORITY LIST** The employer shall prepare, post and maintain a seniority list. . The initial seniority lists shall be prepared and posted conspicuously in the transportation building within thirty (30) calendar days after the effective date of this Agreement, with copies provided to all employees after initial selection of runs each year.
- Within twenty (20) calendar days of posting the initial seniority list, corrections or objections to the list shall be filed; thereafter, the list shall be considered accurate until the next annual list is posted. The Employer shall revise, update and post the seniority list annually thereafter between September 1 and October 1 with corrections or objections due by November 1. Thereafter, the list shall be considered final and conclusive until the next annual list is posted. Two (2) copies of the initial seniority list and subsequent revisions shall be furnished to the Union each year.
- 12.04 **SENIORITY TIE-BREAKER** In the event that more than one individual employee has the same seniority date, the tie shall be broken by using the length of time that the employee served as a substitute in the bargaining unit. If the tie is not broken based upon the length of substitute service, position on the seniority list shall be determined by the last four (4) digits of each employee's social security number, with the highest four (4) digit number ranked first.
- 12.05 **MULTIPLE CLASSIFICATIONS** An employee who works or has worked in more than one bargaining unit classification shall be considered to be qualified for all such classifications.
- 12.06 **LOSS OF SENIORITY** Seniority shall be lost by an employee upon termination, resignation, retirement or transfer to a non-bargaining unit position. Any employee who terminates employment and is later rehired by the District shall begin as a new hire from the most recent date of hire and shall not retain any seniority from previous employment with the District. Any employee who transfers to a non-bargaining unit position within the District but returns to a bargaining unit position within thirty (30) work days shall continue his/her bargaining unit seniority as if s/he had been continuously in the bargaining unit.

- 12.07 **SENIORITY ON LAYOFF** An employee on layoff shall continue to accumulate seniority until the employee returns to work.
- 12.08 **SENIORITY ON LEAVE** An employee on an unpaid leave of absence shall continue to accrue seniority for up to thirty (30) working days; after thirty (30) working days, the employee shall keep the seniority he/she has already earned, but shall not continue to accumulate it. An employee on a paid leave and/or on a medical leave (paid or unpaid) and/or on a leave caused by a work-related illness or injury shall continue to accumulate seniority during the entire leave.
- 12.09 **NO REPEAT OF PROBATIONARY PERIOD** No employee shall be required to repeat a probationary period unless said employee terminates employment with the District and is later rehired by the District.

**ARTICLE 13
LAYOFF AND RECALL**

- 13.01 **LAYOFF PROCEDURE** The Employer and the Union recognize the possibility that the District at a given time could reduce personnel. In the event of a reduction of personnel through layoff from employment, the following procedure will be utilized by the Employer.
- A. When the Employer determines it is necessary to reduce the size of the work force and/or eliminate positions, employees with the least seniority in their classification will be laid off first, provided there are more senior employees remaining who are qualified to perform the duties of the laid off employees.
 - B. An employee notified of lay off shall have the right to displace a less senior employee who is in a classification previously held by the employee scheduled for layoff, provided that the senior employee is qualified to hold that position.
 - C. A service person notified of layoff shall have the right to displace a less senior bus driver, provided that the service person meets all the requirements of the position.
 - D. Employees shall be provided three (3) weeks written notice prior to the effective date of layoff, unless layoff is necessitated by emergency or by an event that could not have been reasonably anticipated.
 - E. If a position is eliminated, and there is a vacant position available for which the employee is qualified, the employee will be placed in the vacant position and will not be considered to be laid off, provided that there is no reduction of pay or hours.
- 13.02 **REDUCTION IN HOURS** When the Employer determines it is necessary to reduce the number of hours of any bargaining unit position, an employee whose hours are reduced by 60 minutes or more per day shall have the right to displace a less senior employee(s) in the same classification in order to maintain the current number of hours worked, provided the more senior employee is qualified for the position(s).
- 13.03 **VOLUNTARY WAIVER OF SENIORITY** In the event of a layoff, the Employer and the Union may mutually agree to allow individual employees to waive their seniority rights for the purpose of the layoff. With the written approval of the Employer and the Union, employees may, at their option and without prejudice to seniority and other rights under this Agreement, waive their seniority in the instance of the Employer instituting a layoff. Such waiver, if authorized by the employee, shall not be construed to be a waiver of any other right under the contract. An employee who has been laid off under the provisions of this paragraph will be subject to recall pursuant to the procedures set forth in this section and may not subsequently bump a less senior employee prior to his/her recall.
- 13.04 **RECALL PROCEDURE** When positions become available, employees who have been laid off shall be recalled in order of greatest seniority, provided the recalled employee is qualified to perform the duties of the position. If the position is one with fewer hours or a lower pay rate, the employee may 1) accept the position; 2) accept the position and request a transfer to the next available position with the same or

more hours and pay rate; or, 3) continue on layoff. In no case shall a new employee be hired by the Employer while there are laid off employees who are qualified for a vacant or newly-created bargaining unit position.

- 13.05 **NOTICE OF RECALL** Notice of recall shall be sent by certified or registered mail to the laid off employee, and shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address. A recalled employee shall be given five (5) calendar days from receipt of notice of recall to respond to the recall. The recalled employee shall have fifteen (15) calendar days from receipt of notice of recall to report to duty. The Employer may fill the position on a temporary basis until the recalled employee can report for work providing the employee responds within the aforementioned period.
- 13.06 **FORFEIT OF RECALL RIGHTS** An employee who declines recall to a position with fewer hours or a lower pay rate shall forfeit his/her rights to that specific position, but not to other positions and/or future recalls. An employee who declines recall to a position with equal or greater hours and at least the same rate shall automatically lose all recall rights and rights to employment.
- 13.07 **PRIORITY STATUS ON SUBSTITUTE LIST** A laid off employee shall, upon application and at his/her option, be granted priority status on the substitute list according to his/her seniority. Pay shall be at the substitute rate.

**ARTICLE 14
INITIAL SELECTION OF REGULAR RUNS**

- 14.01 **POSTING** All runs will be rebid each fall, at least two (2) weeks prior to the first student day of the new school year. All runs will be posted in the Transportation building at least three (3) business days before the “bid day.” All bargaining unit members shall be given prior notice of the “bid day.” The postings will include pertinent information such as schools and times if available.
- 14.02 **RUN SELECTION SCHEDULE** All bus drivers and bus aides will be scheduled to select runs in five (5) minute time slots. Drivers and bus aides will not be scheduled to select runs during normal driving times, including noon runs and field trips.
- 14.03 **RUN SELECTION PROCEDURE**
- A. Bus drivers and bus aides will bid concurrently in order of their seniority.
 - B. Bus drivers and bus aides will select runs in order of their seniority, with the most senior employee selecting first. Each employee will be allotted five (5) minutes for selection.
 - C. Each bus driver or bus aide may select from any run by order of seniority.
 - D. Runs will be put on display in the transportation office, in a room available for viewing proposed routes. Selection will be done in a separate room.
 - E. One (1) administrator or representative selected by the administration and one (1) union representative selected by the union shall be present as observers during the entire bidding process in the room available for viewing proposed routes. One (1) administrator or representative selected by the administration and one (1) union representative selected by the union shall be present as observers during the entire bidding process in the run selection room.
- 14.04 **OTHER SELECTION FACTORS**
- A. **EMPLOYEE IS LATE** If a bus driver or bus aide is late for his/her individual five-minute selection time, his/her name will go to the bottom of the list. This section applies regardless of the method of selection.
 - B. **SELECTION BY PHONE** A bus driver or bus aide may select by telephone, by calling the office during the designated time period and indicating the runs desired in order of preference, if the employee knows which runs he/she wants. If an employee selects by phone, the office staff will not be asked or expected to read through the list of available runs.
 - C. **ADVANCED SELECTIONS** Bus drivers and bus aides are encouraged to be present during the run selection process. However, in the event that this is impossible, an employee may make run selection(s) in advance of the scheduled time, by indicating his/her preferred runs, in writing, in order of preference. When it is that employee’s turn to select, he/she will be assigned to the highest-ranked preference(s) still available for selection. If none of the employee’s preferred runs are available, a “proxy” designated by the

employee may select for the absent employee. If a “proxy” has not been named, the employee’s name will go to the bottom of the list.

- D. **SELECTION BY PROXY** Each employee is encouraged to designate one or more “proxies” to select runs on his/her behalf in case the runs selected in advance or by phone are not available, or in case the employee misses his/her scheduled selection time due to unexpected events. The employee may designate his/her proxy in writing prior to his/her selection time.
- 14.05 **TIMELINES** The run selection process shall be completed prior to the first student day and new runs will be effective at the beginning of the school year.
- 14.06 **TRIAL RUNS** All bus drivers shall be required to perform a “dry run” before school begins on dates designated by the Director of Transportation, and will be paid at their regular pay rate.
- 14.07 **MINIMUM RUNS OR “MINIS”** A minimum run or “mini” shall be defined as any run consisting of one (1) hour and ten (10) minutes or less. The following provisions shall apply to minis:
- A. Minis are recorded as a time entry of one (1) hour, but are paid at the special rate which is calculated as straight pay for one (1) hour and ten (10) minutes.
 - B. Examples of minis are:
 - 1. An elementary run or a high school/middle school run of less than seventy (70) minutes
 - 2. A field trip where the total time is less than seventy (70) minutes
 - C. A run is only classified as a mini when it is not connected or combined with another run.
 - D. When a mini run is combined with another run with a down time of fifteen (15) minutes or less between them, the run shall no longer be considered a minimum run, and shall be paid at the regular rate of pay.
 - E. Bus drivers will not be paid for mini runs when shuttling students during the down time between regular runs.
- 14.08 **ADD-ONS**
- A. **DEFINITION** “Add-ons” are defined as additions to an existing run that are added on after the school year has begun involving the transportation of a group of students, such as Careerline Technical Center (CTC) pick-ups that begin later in the year. Add-ons do not include additional residential stops added to regular runs.
 - B. **ADD-ONS INCLUDED IN INITIAL POSTING** In some cases, the District knows at the time that initial runs are posted and bid that add-ons will later be necessary. If the Director of Transportation determines that an add-on is

likely, the add-on will be posted at the time that initial runs are posted, and will include information such as starting date and hours, so that bus drivers will have this information when they bid. It is understood that while such add-ons are probable, they are not guaranteed merely because they were posted.

- C. If add-ons were not posted at the time that initial runs were posted and bid, or must be added on to a different run than expected, they will be posted and assigned as provided below.
- D. **POSTING.** All add-ons shall be posted (in accordance with the contractual posting procedures) either at the beginning of the year as part of initial posting of runs, or later in the year. Each add-on shall be posted separately.
- E. **ELEMENTARY MORNING ADD-ONS** shall be posted and assigned to the most senior applicant assigned to the building from which the student(s) is to be picked up. [Example: Math shuttles from one elementary building to another.]
- F. **ELEMENTARY AFTERNOON ADD-ONS** shall be posted and assigned to the most senior applicant assigned to the building from which the student(s) is to be picked up. [Examples: After school programs, Kid Connection at Lakeshore.]
- G. **SECONDARY MORNING ADD-ONS** shall be posted at the same time as initial runs are posted in the fall (if known), and shall be assigned to the most senior big bus driver. [Examples: Shuttles to and from the High School, Mac Bay and Harbor Lights; orchestra.]
- H. **SECONDARY AFTERNOON ADD-ONS** shall be posted at the same time as initial runs are posted in the fall, and shall be assigned to the most senior applicant provided that the applicant has an existing run to “add on” to. [Examples: Shuttles to and from High School, Mac Bay and Harbor Lights,]
- I. **RUNS BETWEEN THE ELEMENTARY AND SECONDARY RUNS** include runs that occur between the elementary and secondary runs, and for which bus drivers are not paid any additional pay. Runs in this category are not considered add-ons and are not posted separately. If these runs were not included when initial runs were posted in the fall, or must be added on to different runs than expected, they shall be assigned to a driver close to the buildings as determined by the District. [Examples: Rose Park, At Risk program, after school programs.]
- J. **CTC** runs will be assigned as follows:

**ARTICLE 16
FIELD TRIPS, EXTRA TRIPS**

- 16.01 **POSTING** Field trips will be posted by 8:00 a.m. on Monday for the following week.
- 16.02 **SELECTION OF FIELD TRIPS** The regular field trip list will be posted during the first week of school and will cover field trips beginning the second week of school. Substitute bus drivers may not bid on field trips but can be assigned to them if no driver on the list takes the assignment. Field trips will be selected and filled in the following order:
- A. Bus drivers on the field trip list shall select a trip between 8:00 a.m. and 6:00 p.m.
 - B. If there are still field trips remaining after 6:00 p.m. on Monday, trips will be open to any bus driver. Remaining trips will be awarded by a rolling seniority list to those drivers that are interested in fulfilling any open trip(s). After all available bus drivers have had the ability to select a trip(s), the remaining trips will be available for substitutes as directed by the Transportation Department.
 - C. If a bus driver on the field trip list does not select during his/her time frame, the District will bypass that driver and continue the rotation as described above.
 - D. West Ottawa bus drivers shall have the right of first refusal for West Ottawa field trips requiring a Commercial Driver's License (CDL) involving vehicles owned by the District.
- 16.03 **ADVANCED SELECTIONS** A bus driver may make field trip selection(s) in advance of the above time frames, by indicating his/her field trip preferences in order of preference. When it is that driver's turn to select, he/she will be assigned to the highest-ranked preference still available for selection.
- 16.04 **SELECTION WHILE ON LEAVE** A bus driver on sick leave, bereavement leave, or unpaid leave may contact the transportation office and designate field trip preferences.
- 16.05 **DRIVER'S RESPONSIBILITY** It is the bus driver's responsibility to remember to sign up for field trips during his/her allotted time frame. The transportation office will not call drivers to remind them to sign up for field trips.
- 16.06 **FIELD TRIP BOARDS** The field trip board will be checked at 8:00 a.m. and at 12:30 p.m. Bus drivers may not add or remove other names from the field trip list. If a bus driver removes their own name from the field trip list, they are to strike a line through their name and place their initials next to their name. If there are problems with the field trip list, the Director of Transportation or designee should be informed.
- 16.07 **UNSCHEDULED FIELD TRIPS** Unscheduled field trips are defined as field trips that come into the office after regular field trips have been posted for the week.. There shall be two "unscheduled field trip lists," one for day trips and one for night trips.

- A. All field trips that occur during the first week of the school year will be assigned from the summer field trip list. The regular field trip list will be posted during the first week of school and will cover field trips beginning the second week of school.
- B. When an unscheduled field trip comes in, the following provisions shall apply:
 - 1. Unscheduled trips will be posted in the transportation office on the appropriate day or night list on a rotating basis from an unscheduled field trips list.

The transportation office will call the next bus driver in line on the respective unscheduled field trip list. The driver will have 5 minutes to decide if the driver wants the trip. If the driver says no or fails to respond within 5 minutes, then the office will continue to go down the unscheduled field trip list until the trip has been filled or all drivers on the list have been called.

- 2. If all bus drivers on the unscheduled trip list have been called, the office will then call substitute drivers.
- 3. When attempting to fill unscheduled field trips, the office will try to reach the bus driver only once, and if unable to contact the driver directly, the office will call the next driver(s) in line until the trip is filled.
- 4. Bus drivers who are already scheduled for a field trip can take an unscheduled field trip only if the unscheduled field trip does not conflict with the previously-scheduled field trip hours.

16.08 **ADDING NAMES TO THE FIELD TRIP LISTS** When a bus driver adds his/her name to any of the field trip lists, the new name will not be added until the following week

16.09 **LATE REFUSALS** In the event that a bus driver has been assigned to a field trip and, after the afternoon deadline, the driver refuses to take the trip, the driver's name will be removed from the field trip list after three (3) such refusals. The only approved refusals are for illness or emergency situations that have been approved by the Director of Transportation; such approved refusals will not count towards removal from the lists. This paragraph applies only to scheduled field trips and does not include refusals required due to overtime.

16.10 **MID-DAY RUNS** Any bus drivers in a 5 day program with a noon run will be allowed to take day trips that don't interfere with their mid-day run and will be allowed to take night field trips.

16.11 **MID-DAY RUN SUBSTITUTES** When substitute bus drivers are needed for mid-day runs, the following provisions shall apply:

- A. Mid-day run absences shall be filled from a master list of all bus drivers willing to guest drive noon runs.
 - B. Bus drivers may sub on noon runs for extended periods of time, provided that such subbing does not conflict with their regularly scheduled runs.
 - C. Every effort will be made to use noon subs in rotation.
- 16.12 **SUBSTITUTE BUS DRIVERS** . The Director of Transportation or designee will determine how trips are transported either by the assigned driver or substitute driver.
- 16.13 **DAY TRIPS AND NIGHT TRIPS DEFINED**

 - 1. Saturday and Sunday trips.
 - 2. Trips that begin at 1:00 p.m. or after and go beyond 4:30 p.m.
- 16.14 **DRIVER RESPONSIBILITIES** In addition to the following, bus drivers shall satisfy all responsibilities pertaining to drivers in the Transportation Department Handbook, provided that the Handbook is not in conflict with the Master Agreement, and further provided that this paragraph does not constitute a waiver of either party's rights to negotiate wages, hours, and working conditions as provided for under the Public Employment Relations Act, P.A. 336 of 1947 as amended, MCLA 423.201 *et seq.*
- A. Driving time begins as soon as students board the bus to leave on a field trip. Driving time ends when the bus is empty and parked. Bus drivers will be paid at the driving time rate for pre-trip inspection.
 - B. The bus driver's primary responsibility is safe driving; therefore, trip sponsors will be expected to help enforce the bus rules.
- 16.15 **LEAVING THE BUS FOR MEALS** Except as noted in this section, during field trips, the bus driver must remain with the bus or at the event.
- A. For field trips in the District, a bus may return to the lot and the bus driver may use his/her own car to leave for meals for a maximum of one (1) hour, provided that the trip sponsor and the transportation office are informed, and the Director of Transportation approves. The driver will be paid while away from his/her bus to obtain a meal.
 - B. For field trips in the Holland area, the bus driver must remain as close as possible to the trip site. The driver may walk or arrange to be picked up to leave for meals for a maximum of one (1) hour, provided that the trip sponsor and the transportation office are informed, and the Director of Transportation approves. The driver will be paid while away from his/her bus to obtain a meal.

- C. For field trips outside the Holland-West Ottawa area, the bus driver must remain with the bus or at the event, except the driver may leave for a maximum of one (1) hour to obtain a meal. The driver will advise the trip sponsor of the time he/she will be gone and where he/she can be reached, and obtain permission from the trip sponsor.
- D. The bus driver will report back to the bus at least fifteen (15) minutes before the time designated by the trip sponsor.

16.16 **MEAL REIMBURSEMENT** Bus drivers will be reimbursed for meals at the following rates:

Breakfast	\$8.00
Lunch	\$12.00
Dinner	\$16.00

- A. The number of meals reimbursed will be determined by the length of the field trip plus the length of the regular run adjacent to the field trip as follows:

5-9 hours	2 meals
9 or more hours	3 meals

- B. Meals will be reimbursed according to the following times and may only be reimbursed when consumed during the field trip. Receipts must be dated with time indicated by either machine date stamp or handwritten, if receipt does not include a time stamp.

Breakfast	until 11:00 a.m.
Lunch	11:01 a.m. until 2:00 p.m.
Dinner	2:01 p.m. and later

- D. Bus drivers will not be paid for free meals.
- E. Meals may consist of any food item(s) regardless of where purchased from. Meals do not include items such as candy, gum, breath mints, etc. If you eat with other people such as family members or friends, you must obtain a separate receipt for your meal. You will not be reimbursed for more than one meal even if it is under the maximum amount allowed. Reimbursement is not intended for anything but the driver's meal. In other words, if a family member or friend joins you for a meal, you may not purchase more than one meal (i.e. more than one value meal or combination meal, 2 dozen doughnuts, 2 large pizzas, etc.) and expect reimbursement from the district.
- F. In the event that a bus driver purchases two (2) meals at one time to avoid making two trips, the receipt for both meals may be submitted and reimbursed in accordance with the rates and other provisions of this article.

16.17 **REQUESTS FROM TRIP SPONSORS/COACHES**

- A. If the trip sponsor/coach requests to stop for lunch, the bus driver should make every effort to oblige. The driver may decline to stop if this would make them late for their next scheduled run.
 - B. If the trip sponsor/coach requests that the bus driver use a specific route to reach the destination, the driver should honor this request provided that the sponsor/coach is certain of the directions and the requested route does not present any hazards to the bus. The final determination, however, shall be the driver's.
 - C. Trip sponsors/coach may not request a specific bus driver.
- 16.18 **OVERTIME** It is the bus driver's responsibility not to exceed forty (40) hours per week, if possible, unless approved by the Director of Transportation or designee. In the event that a driver must refuse a field trip because of the excess hours, this refusal will not be considered a late refusal.
- In the event that a driver bids on and is assigned a posted field trip, and the sponsor/coach later increases the hours of the field trip to more than the hours that were originally posted, the driver will be allowed to take the field trip, provided that this does not result in more than one (1) hour of overtime. If this would result in more than one (1) hour of overtime, the driver will be required to give up the field trip and will be placed at the top of the field trip list for the following week.
- 16.19 **PAY FOR FIELD TRIPS TAKEN IN LIEU OF REGULAR RUNS** A bus driver who takes a field trip in lieu of his/her regular run will be paid the amount he/she would have received for the regular run if the total of special trip driving time plus waiting time is less than the amount of the regular run.
- 16.20 **CANCELLATION/TIME CHANGES OF FIELD TRIPS** When field trips are canceled:
- A. If a bus driver takes a field trip in place of his/her regular run, and the field trip is canceled, the driver will be paid for the time of his/her regular run, and the driver's name will go back to the top of the field trip list. However, if the field trip is cancelled more than two (2) hours prior to his/her regular run, he/she shall drive the regular run.
 - B. If a bus driver has a field trip scheduled for after his/her regular run, and the driver has left the lot when the trip is canceled, the driver will receive minimum pay, and the driver's name will go back to the top of the field trip list.
 - C. If a bus driver has already left school on a field trip, and it is canceled, the driver will receive minimum pay or actual driving time, whichever is greater and the name of the driver will go back to the top of the field trip list.
 - D. If a trip has been canceled but the bus driver has not left school, the driver will receive minimum pay and the driver's name will go back to the top of the field trip list.
 - E. If two (2) or more bus drivers are assigned to a field trip, going to the same place, and one or more of the buses are either eliminated, the time shortened,

or the time is lengthened, the driver who picked by rotation first, has the first choice, of either giving the trip up, taking the longer trip as long as it doesn't put them into overtime, or taking the shorter trip. If they choose to give the trip up, their name goes back to the top of the list.

- F. The term "minimum pay" or "mini" as used in this section of the Agreement shall be defined to be pay for one (1) hour and ten (10) minutes.
- G. If a field trip is posted and bid, then later cancelled, then reinstated, the field trip will be placed on the unscheduled list.
- H. If a field trip is posted and bid on and then the date is changed to the next day or later within the same week (not canceled) the bus driver has the option of still taking it or going back to the top of the trip list.

If a bus driver selects a scheduled field trip, and the District changes the trip (after the driver has selected) to a drop-off only, then the driver will still be paid for the trip as it was originally posted.

16.21 **OVERNIGHT TRIPS**

- A. For overnight trips, bus drivers/aides shall be paid their normal rate for actual driving time. Down time will be paid for the remainder of the day or evening until the driver is dismissed by the sponsor.
- B. Employees on overnight trips shall be reimbursed for lodging expenses as arranged by the Director of Transportation.
- C. A bus driver shall not be required to supervise students during non-duty time except in emergency situations.

16.22 **DRIVING TIME AND WAITING TIME**

- B. Field trips that have thirty (30) minutes or less waiting time will be paid at the bus driving time rate for the entire field trip.

16.23 **TULIP TIME**

- A. Tulip Time runs for all Tulip Time activities (including the children's parade and band buses) shall be posted on Tulip Time sign up sheets three (3) weeks prior to the Tulip Time parade. The following procedures shall be followed in the order below:
- B. When the number of runs is determined for the children's parade, the number of bus drivers in reverse seniority order must sign up to correspond with the number of runs necessary. All drivers may sign up for the children's parade

Tulip Time runs. The District will first assign Tulip Time runs to non-substitute bus drivers listed on the sign-up sheets according to seniority.

- C. In the event that additional bus drivers are still needed after Paragraph B is completed, the District will offer Tulip Time runs to substitute drivers.
- D. In the event that additional bus drivers are still needed after Paragraph C is completed, the District may assign Tulip Time runs on an involuntary basis to drivers, with the least senior remaining driver given the first involuntary assignment, and the remaining drivers assigned in reverse order of seniority.
- E. Instead of involuntary assignments, the District has the option to fill unassigned Tulip Time runs through temporary transfers or employment of outside temporary workers at its discretion.
- F. A bus driver cannot accept a Tulip Time run that conflicts with his/her regularly scheduled run.

16.24 **OTHER PROVISIONS** Other provisions for field trips:

- A. Extended field trips in the Holland area may be designated by the trip sponsor or Director of Transportation as two (2) "minis" instead of treating them as one straight time trip for the extended period.
- B. Bus drivers will not be allowed to take field trips if they have not driven part of the day. In other words, you cannot use a personal day for your a.m. run, take an unpaid leave for you noon run and do a field trip. However, if you drove your p.m. run, then had a field trip, you would be able to take this field trip.

16.25 **FIELD TRIPS OUTSIDE OF HOLLAND OR ZEELAND** The following provisions shall apply to field trips that are outside of Holland or Zeeland:

**ARTICLE 18
PAID LEAVES**

18.01 SICK LEAVE

- A. "Daily budgeted hours" shall be defined to mean the number of regularly-scheduled hours the employee is assigned per day, including morning runs, afternoon runs, noon runs, paid down time, clean-up and pre-trip time. It is the intent of the district and the Union that an Employee will not receive more or less than his/her regular pay in any week in which the employee uses sick leave, personal leave, business leave, holidays, vacations, etc.
- B. If an employee's regularly scheduled hours vary each day, "daily budgeted hours" shall be as follows:
1. For 5-day bus drivers and aides who work different hours each day: The employees' "daily budgeted hours" shall be the average daily hours per week, and sick leave will be credited on the first payroll of each month based on the average daily hours per week.
 2. For bus drivers and aides who work less than five days per week: The employees' "daily budgeted hours" shall be the average daily hours for the number of days worked. For example, a driver who works 2 hours on Monday and Wednesday, and 4 hours on Tuesday and Thursday shall have daily budgeted hours of 3. $[2 + 2 + 4 + 4 = 12 \text{ hours} \div 4 \text{ days} = 3 \text{ hours per day}]$ Sick leave will be credited on the first payroll of each month based on this average.
 3. Bus drivers and aides who work four days per week will receive 7.2 times their daily budgeted hours, accumulative to 100 times daily budgeted hours. Drivers and aides who work three days per week will receive 5.4 times their daily budgeted hours, accumulative to 100 times daily budgeted hours. Drivers and aides who work two days per week will receive 3.6 times their daily budgeted hours, accumulative to 100 times daily budgeted hours. Drivers and aides who work one day per week will receive 1.8 times their daily budgeted hours, accumulative to 100 times daily budgeted hours.
 4. All bus drivers and aides shall be debited for the actual sick leave hours used on any day. For example, a driver in paragraph B-2 above who is absent on Thursday shall have 4 hours deducted from sick leave. If that driver is absent on Monday, 2 hours will be deducted from sick leave.
- C. Sick leave is prorated as it is earned and is credited on the first payroll of each month. Sick leave is credited based on the employee's daily budgeted hours at the time of posting. Changes in the employee's daily budgeted hours must be made via a change in status form. Sick leave may be taken in one half ($\frac{1}{2}$) hour increments with the approval of the supervisor.

- D. Sick leave pay is available according to the following:
 - 1. Bus drivers and Aides
 - a. 9 times the daily budgeted hours, accumulative to 100 times daily budgeted hours.
 - 2. Substitute or temporary employees: No sick leave is granted.
- E. An employee's sick leave hours shall be adjusted after runs are assigned and actual hours determined for each year. Actual hours are normally determined in October. The adjustment will be made retroactive to the beginning of the school year.
- E. A physician's statement may be required by the District after five (5) consecutive days of illness, or if abuse of leave is suspected.

18.02 **SICK LEAVE ACCUMULATION**

- A. An employee's earned sick leave shall be changed when the employee's daily budgeted hours change.
- B. Changes in hours must be made on a "Change of Status" form.
- C. In the event that an employee changes to a position with more hours, the employee shall retain all sick leave hours previously accrued in the position with less hours.
- D. In the event that an employee changes to a position with fewer hours, the accumulated sick leave to which the employee is entitled shall be based upon the daily budgeted hours in the new position and in accordance with Section 19.01 - D above. [Example: Employee has 8 daily budgeted hours, and has reached the maximum accumulation of $100 \times 8 = 800$ hours of accumulated sick leave. The employee changes to a position with 7 daily budgeted hours. The employee's maximum accumulation is recalculated at $100 \times 7 = 700$ hours of accumulated sick leave.] In the event that an employee changes to a position with fewer hours, previously accrued sick leave hours in excess of the accumulative sick leave permitted by Subsection 19.01- D shall be retained for the employee in a separate, individual excess sick leave account and may be used in accordance with the following paragraph.
- E. Hours retained in a separate individual excess sick leave account will again become available to the employee if the employee later changes to a position with greater hours, the employee's maximum accumulation will be recalculated as described above, and the employee may reclaim some or all of the hours in the excess sick leave account, up to the maximum accumulation described in paragraph 19.01 D above.

18.03 **FAMILY ILLNESS** Employees shall be allowed to use up to three (3) times their daily budgeted hours per year for sick leave or absence occasioned by the critical illness,

injury or disability of a member of the employee's immediate family, or the immediate family of the employee's spouse, or a relative living in the same household as the employee. [Example: An employee budgeted to work 8 hour days would be allowed to use up to 24 hours in the above-mentioned cases.] Immediate family as used herein shall include only spouse, parent, grandparent, child, brother and sister, those who stood in *loco parentis*, and others as approved by the administration.

- 18.04 **PERSONAL LEAVE** Employees shall be allowed to use up to three (3) times their daily budgeted hours per year, non-accumulative, for personal leave. [Example: An employee budgeted to work four (4) hours per day shall be allowed to use up to twelve (12) hours of personal leave.] An employee planning to use a personal leave day shall request permission at least 5 working days prior to the anticipated leave day(s) unless unanticipated circumstances make the five (5) day advance notification impossible. A personal leave day will not normally be granted for: the day preceding, or the day following holidays or vacation; the first week of the school year; from June 1 to the end of the year; or during Tulip Time (as designated by Tulip Time Board) unless approved by the Superintendent or designee. Personal leave is not deducted from sick leave accumulation. Personal leave days may be taken in one half (½) hour increments with the approval of the supervisor.

For 5-day bus drivers and aides who work different hours each day, or who work less than five days per week, personal leave shall not exceed actual hours (up to three (3) times the daily budgeted hours). For example, a driver who works 2 hours on Monday and Wednesday and 4 hours on Tuesday and Thursday who takes a personal leave day on Thursday shall have 4 hours of personal leave deducted. If that driver takes a personal leave day on Monday, 2 hours will be deducted from personal leave. The total personal leave hours for that driver shall not exceed nine [3 daily budgeted hours per day x 3 days = 9] hours of personal leave per year.

Any unused Personal Leave each year will be added to the employee's accumulated sick leave.

For the duration of this agreement only (June 30, 2022), employees may use and be paid for personal days on the following non-student days: the Wednesday prior to the Thanksgiving holiday, any non-student winter break days OR the Friday prior to the full week of spring break. If any of these days is a student day, employees may use other non-student days during the school year. This paragraph will be extracted from the agreement upon the expiration of the agreement.

- 18.05 **BEREAVEMENT LEAVE** In the event of an employee's absence because of a funeral at which the employee is in attendance, a leave of absence shall be granted for a period of time which is of duration appropriate to the circumstances presented, up to a maximum of three (3) workdays, and the employee shall be paid for such period of leave. This three (3) workday limit may, upon request for cause acceptable to the District, be extended for two (2) additional workdays, for a total maximum of five (5) workdays. The above reference to days is deducted as hours and calculated as budgeted hours per day times number of days absent.

The District, at its discretion, may require verification of the death, relationship, and actual attendance at the funeral. All such leave shall be deducted from the number of "sick leave days" accumulated by the employee except in the cases when the death involves a member of the employee's immediate family, or the immediate family of the

employee's spouse, or the death of a relative living in the same household as the employee. Immediate family as used herein shall include only spouse, parent, parents-in-law, grandparent, child, grandchild, brother and sister, brother-in-law, sister-in-law, those who stood in loco parentis, and others as approved by the administration. Bereavement leave may be taken in one half (½) hour increments with the approval of the supervisor. A bereavement leave of one (1) day, deducted from sick leave, will also be allowed to attend the funeral of other relatives or friends with the approval of the Assistant Superintendent for Human Resources.

- 18.06 **JURY DUTY** An employee shall notify payroll if he/she has been called for jury duty. While serving on jury duty, the employee should turn in or have someone else turn in the time sheet or card noting the days the employee was on jury duty. The employee will then be paid his/her regular budgeted pay through payroll as usual. When the employee receives compensation for time spent on jury duty, the employee will be expected to reimburse the District for the total amount of the daily jury duty fee paid by the courts, not including travel allowances or reimbursement for expenses.
- 18.07 **WORKERS' COMPENSATION** When it is necessary to be absent from duty due to illness or injury compensable under the Michigan Workers' Compensation Act, the employee shall receive the difference between his/her regular pay and that amount received through Workers' Compensation until his/her accumulated sick leave is exhausted. Such difference in pay shall be figured on a percentage basis, and this same percentage shall be deducted from the employee's sick leave accumulation until the employee's sick leave is exhausted or upon the employee's return to duty, whichever is sooner. (For example: If Workers' Comp pays 60% of the regular pay, sick leave will pay only 40%, and the sick leave accumulation shall be charged .4 of a day for each day used). It is the intent of the District and Union that an employee shall continue to receive 100% of his/her regular pay, but not more than 100% of his/her regular pay, while prorated sick leave is being used.
- 18.08 **EMERGENCY LEAVE** With the approval of the superintendent, emergency leave may be granted for sudden, unexpected situations that occur which demand immediate action. It is expected that after two (2) days, the situation would cease to be an emergency, and more permanent arrangements could be made. Emergency leave shall be deducted from sick leave allowance. Emergency leave should be noted on the time sheet or card, and will be reflected on the paycheck covering the period of time in which the emergency occurred. Emergency leave may be taken in half hour increments with the approval of the supervisor.
- 18.09 **LEAVE PROCEDURES** Leave requests shall be submitted to the appropriate supervisor on a "Request for Excused Absences for Hourly Employees" form.
- 18.10 **ASSIGNMENT AFTER RETURN FROM PAID LEAVE** An employee on a paid leave (including all of the leaves in this article) shall have the right to return to his/her same position for the remainder of the school year in which the paid leave begins. If the paid leave continues into the next school year, the employee shall have the right to return to his/her same position only if that position is vacant. If the position is not vacant, the employee will be assigned to a vacant bargaining unit position for which he/she is qualified (which includes all bargaining unit positions held by non-bargaining unit employees.) If there are no vacant positions, the employee will be assigned to the position held by the least senior employee within his/her classification for which the returning employee is qualified.

18.11 **ATTENDANCE INCENTIVE** Employees shall receive an attendance incentive based on the number of sick days used during a designated period as follows:

- From the first day of work for the school year through November 30: zero (0) days used, \$150; one (1) day or partial day used, \$75.
- December 1 through the last school day before spring break: zero (0) days used, \$150; one (1) day or partial day used \$75.
- Spring break through the last school day: zero (0) days used, \$150; one (1) day or partial day used \$75.
- For new hires after the effective date of this contract. They will be paid \$500 after they have driven fifty (50) school days and an additional \$1000 after they have driven one-hundred and eighty (180) school days.

Payment, less applicable withholdings, will be made in a reasonable time after the end of each designated period. Personal leave shall not be counted as time off for purposes of calculating the attendance incentive. Sick days used on snow days, as allowed in Article 7.08, shall not be counted as time off for purposes of calculating the attendance incentive. An employee taking unpaid leave will not be eligible for the attendance incentive for the period which the leave was taken.

**ARTICLE 19
UNPAID LEAVES**

- 19.01 **MILITARY LEAVE** Military leave shall be granted in accordance with applicable state and federal law.
- 19.02 **DISABILITY LEAVE** An employee who is disabled and unable to work and who has exhausted his/her sick leave shall be placed on an unpaid disability leave upon application for up to one (1) year, renewable at the discretion of the Employer. An employee on sick leave may return when medically able. Certification of fitness to return from the Employee's and/or Employer's doctor may be required.
- 19.03 **CHILD CARE LEAVE** Upon written application, an employee shall be granted an unpaid leave of absence for the purpose of child care of a newborn or newly adopted child for a period of up to one (1) year, renewable at the discretion of the Employer. Where applicable, requests for child care leave shall include a statement from the attending physician indicating the anticipated date of the birth of the child. The employee may terminate the leave in the event of death of said child, provided that he/she is physically able to perform the work responsibilities.
- 19.04 **FAMILY ILLNESS LEAVE** Upon written application, an employee shall be granted an unpaid leave of absence due to the serious illness of a member of the immediate family for a period of up to one (1) year, renewable at the discretion of the Employer. Immediate family as used herein shall include only spouse, parents, parents-in-law, grandparents, grandparents-in-law, grandchildren, children, brother, brother-in-law, sister, and sister-in-law. The employee shall terminate the leave in the event of death of said family member.
- 19.05 **SHORT-TERM LEAVE** Upon written application, an employee may be granted an unpaid short-term leave of absence, not to exceed five (5) work days (not to exceed two (2) days for employees employed less than one (1) year). This decision shall be made by the Assistant Superintendent for Human Resources, and shall not be grievable.
- 19.06 **GENERAL LEAVE OF ABSENCE** A general leave of absence without pay of up to one (1) year may be granted for reasons that do not fit the categories contained in the paragraphs above, at the discretion of the Assistant Superintendent for Human Resources. A one (1) year extension may be granted in extreme circumstances. Such decisions shall not be grievable.
- 19.07 **LEAVE PROCEDURES** Unpaid leaves are subject to the following:
- A. Leave requests shall be submitted to the Director of Transportation on a "Request for Excused Absences for Hourly Employees" form.
 - B. Requests for unpaid leaves must be made in writing to the Assistant Superintendent for Human Resources at least ten (10) working days prior to the anticipated date of the leave unless unanticipated circumstances make 10-day advanced notice impossible. Requests shall include the reason for the leave and the beginning and ending dates of the leave. The Director of Transportation or Assistant Superintendent for Human Resources shall respond to the leave request within ten (10) working days of receipt.

- C. All leaves in this article must be approved in advance by the Assistant Superintendent for Human Resources.
- D. At least thirty (30) working days prior to the date a leave is scheduled to expire, an employee shall notify the Director of Transportation of his/her intent to return to work. Failure to do so shall constitute a "voluntary quit," and shall terminate all employment rights, provided that prior to the termination of any rights, the Director of Transportation has contacted the employee to determine the employee's intent to return.
- E. Except for short term leave (Section 20.05), leave shall only be granted to employees with one (1) or more years of seniority.
- F. Employees who are granted and use unpaid leave on the day(s) preceding or following a paid holiday will not receive holiday pay for that holiday.

19.08 **ASSIGNMENT AFTER RETURN FROM UNPAID LEAVE** Upon expiration of the leave, an employee on an unpaid leave (including all of the leaves in this article) shall have the right to return to his/her same position during the remainder of the school year in which the unpaid leave begins. If the unpaid leave continues into the next school year, the employee shall have the right to return to his/her same position only if that position is vacant. If the position is not vacant, the employee will be assigned to a vacant bargaining unit position for which he/she is qualified (which includes all bargaining unit positions held by non-bargaining unit employees.)

If there are no vacant positions, the employee will be assigned to the position held by the least senior employee within his/her classification for which the returning employee is qualified. The employee cannot bid on another position until at least thirty (30) calendar days after the first day of work in the new position. The displaced least senior employee will be placed on layoff status. The three-week layoff notice set forth in Subsection 14.01D shall not apply; however, the administration will notify the least senior employee as soon as practical after it becomes aware of the return from leave and resulting bumping.

20.03 Transportation employees other than bus drivers and bus aides will normally receive paid vacation days off, rather than vacation pay.

20.04 Vacation anniversary dates will be computed as of July 1 of each year.

- A. During the first year of employment, employees who have been employed for less than a full year will be given a prorated amount of vacation, from the date of hire through June 30th of that year.
- B. Employees retiring at the end of the school year shall receive pay for that year's accumulated vacation days upon retirement.
- C. An employee who does not complete the school year shall be given a prorated amount of vacation, for the portion of the year worked since the prior July 1st.
- D. Upon termination of employment, an employee may not have used (or been paid for) more vacation than he/she has earned. If an employee has used (or been paid for) more vacation than the amount earned, the cost of any overpaid vacation shall be deducted from the final paycheck.

- 20.05 Requests for vacation days off must be submitted in writing at least fifteen (15) days prior to the desired vacation date. The fifteen-day requirement may be waived at the discretion of the Director of Transportation.
- 20.06 Vacation requests must be approved by the Director of Transportation of transportation.
- 20.07 Where more than one (1) employee requests the same vacation date(s) and work scheduling demands reasonably prohibit all requesting employees from being absent at the requested times, vacation shall be approved in order of the day the request was received. If more than one employee submits a vacation request on the same day, vacation shall be approved according to seniority.
- 20.08 An employee must use vacation earned in the June 1 – June 30th fiscal year by December 31 of the following fiscal year. Upon written request by the employee and approval by the supervisor, an employee may carry over vacation hours until the Monday after spring break of the following fiscal year.
- 20.09 Daily budgeted hours for employees who work different hours each day, or who work less than five (5) hours per week shall be calculated in accordance with the sick leave provisions contained herein.
- 20.10 Daily budgeted hours for the purposes of this article will be the average daily budgeted hours in the month prior for each employee's regularly scheduled runs.

**ARTICLE 21
HOLIDAYS**

- 22.01 All employees shall receive the following days off with pay at the rate of their regularly scheduled hours for the following holidays:
- July 4 (if regularly scheduled to work the work days prior to and after July 4)
 - Labor Day (will only be paid to bus drivers who are assigned a scheduled run with passengers pertaining to the upcoming school year but occurring prior to Labor Day; such as 9th grade orientation, Kindergarten roundup, etc.)
 - Thanksgiving Day
 - Day after Thanksgiving
 - Christmas Day
 - Day before or after Christmas (set annually)
 - New Year's Day
 - Day before or after New Year's Day (set annually)
 - Memorial Day
- 21.02 Employees who work during the summer shall receive a paid holiday on July 4th. Those working into September shall receive a paid holiday on Labor Day.
- 21.03 Substitute bus drivers and substitute bus aides must be available to work when requested ten (10) consecutive days before and one (1) day after a holiday to receive holiday pay.
- 21.04 To receive holiday pay, employees must work the last scheduled work day before and the first scheduled work day after the holiday. If an employee works only part of the day prior or after a holiday, their pay will be prorated. No employee will be paid holiday pay for missing their scheduled afternoon work prior to the holiday or morning run following the holiday. These work requirements do not apply when a holiday falls during an approved vacation or paid leave period.
- 21.05 If a holiday is on a Saturday or Sunday, the holiday shall be celebrated on either Friday or Monday, respectively.
- 21.06 The holiday provisions contained herein shall be applied as follows:
- A. It is the parties' intent that during a week in which a holiday or holidays fall, employees shall be paid no more and no less than they are paid in a week in which there is no holiday.
 - B. For a 4-day employee working Monday through Thursday, if a holiday falls on Monday through Thursday, the employee will be paid holiday pay for that holiday. If the holiday falls on a Friday, the employee will not be paid holiday pay for that holiday.

**ARTICLE 22
COMPENSATION AND PAYROLL DEDUCTIONS**

- 22.01 **WAGE RATES** The wage rates for all employees shall be as set forth in Appendix A which is incorporated herein and made a part of this Agreement.
- 22.02 **ADVANCE PAY PLACEMENT** The Employer may grant advance pay step placement for prior job-related experience, up to and including the final top step of each grade.
- 22.03 **CHANGES JULY 1** The anniversary date for changes in wage rates, longevity, and vacation calculations shall be July 1 of each year. Employees who have served for six (6) months or more prior to July 1 shall be advanced to the next higher wage step where appropriate, and shall be considered to have completed one full year for the purposes of calculating longevity and vacation accrual. Employees who have served for less than six (6) months prior to July 1 shall stay at the same pay step for an additional year.
- 22.04 **PAYROLL PROCEDURES**
- A. If any employee's time sheet is changed by the administration after it is submitted, the employee will be informed of the change and reason for the change.
 - B. "Mini runs" should be recorded as one (1) hour and highlighted on the time sheet. A mini run will then be paid at the mini rate of seventy (70) minutes.
 - C. When a payday falls on a legal holiday, regular payroll procedures will be followed the day immediately preceding the holiday if the Administration Office is open.
- 22.05 **PAY OPTIONS**
Employees shall be paid on the 1st and 15th of each month beginning on September 1, 2016.
- 22.06 **CHANGES IN HOURS OR RUNS** The Transportation Office does not submit payroll changes when employees change hours or runs at the beginning of the year or during the year. Therefore, all employees must submit change in status forms at the beginning of each school year. If runs or hours change after the beginning of the school year, employees must submit new change in status forms. The District will provide these forms to all employees at the beginning of the year, and will remind employees throughout the year to submit change in status forms on a timely basis whenever their hours change. Timely basis is defined as three (3) work days after notification that a student will be absent from school for a period of two or more weeks or for an indefinite period or for a student's change in residence.
- 22.07 **CHANGES IN STATUS** Any change in dependents, exemptions, marital status, name, or address should be immediately reported to the payroll department on forms available from the payroll department. Changes in other deductions (such as credit union, automatic savings, automatic checking) should be directed in writing to the Payroll Dept. and should state the pay date the change is to go into effect.

- 22.08 **ANNUITIES** Two types of employee savings plans are available to employees: 1) 403(b) tax deferred annuities; and, 2) 457 deferred compensation plan.

Upon appropriate written authorization from the employee, the District shall deduct from the salary of that employee and make appropriate remittance for employee savings plans.

- 22.09 **CRIMINAL BACKGROUND CHECK** Criminal background checks (State of Michigan and FBI) are pre-employment requirements and are the employee's responsibility.

- 22.10 **MILEAGE** When an employee is required by his/her supervisor to use his/her own automobile for the District's business, including but not limited to required off-site training, drug testing, and physicals, he/she will be paid a mileage allowance equal to the maximum allowable IRS rate in effect at the time this service is performed. Personal car mileage records must be kept, approved by the Director of Transportation or designee, and submitted to the Finance Department.

- 22.11 **OVERTIME** Overtime pay will be granted after forty (40) hours worked in a week. The following provisions shall apply:

- A. The approval of overtime will be made by the employee's immediate supervisor.
- B. Hours worked in excess of forty (40) hours per week will be paid at one and one-half (1½) times the employee's regular hourly rate.
- C. When an employee works at more than one type of work, at varying wage rates, during a single work week, the employee will be paid at one and one-half (1½) times the employee's actual rate of pay for the work performed in overtime for all hours in excess of forty (40).

Examples

Employee works 25 hours regularly scheduled driving hours + 17 hours field trips = 2 hours overtime at appropriate (i.e. down time and/or driving time) field trip rate.

Employee works 25 regularly scheduled driving hours + 17 hours for food service = 2 hours overtime at food service rate. (Note – It was the food service work, not regularly scheduled driving time, that caused the overtime).

Employee works 25 regularly scheduled driving hours + 12 hours for food service + 5 hours field trips = 2 hours overtime. If the 2 hours was caused by the field trip, the employee will be paid overtime at the appropriate (i.e. down time and/or driving time) field trip rate. If the 2 hours was caused by food service, the employee will be paid overtime at the food service rate.

- D. Work performed on Sundays and holidays will be paid at two (2) times the employee's regular hourly rate.
- E. Holidays, vacation, and personal leave that fall within a week will be considered to be part of the forty hours worked, and will not disqualify the employee from overtime payment calculation. Sick leave that falls within a

week will not be considered to be part of the forty hours worked for the purpose of overtime.

- F. Compensatory time off may be given to service persons instead of overtime pay if mutually agreeable to the Employer and the employee. Such compensatory time shall be at a rate of one and one-half (1½) times or two (2) times the overtime hours worked and shall be taken within one (1) year of accrual of the compensatory time. If the employee is unable to take compensatory time within this time period, the employee shall be paid the overtime rate.

22.12 **PHYSICAL EXAMS, DRUG TESTS, T.B. TESTS** The Employer shall pay for all required physical examinations (by a Board-designated physician), all required drug tests, and other tests required to certify the employee. The Employer shall also pay bus drivers at the waiting time rate (and other employees at their regular pay rate) for the time necessary for all tests or examinations described above, including travel to and from the testing sites. Post-accident testing shall be paid at the driving time rate. This paragraph shall not apply to tests taken prior to the time an employee has been assigned a regular run.

22.13 **PAY FOR MEETINGS AND TRAINING** Bus drivers shall be paid at their regular rate of pay for the following trainings:

- A. Annual Back-to-School refreshers
- B. Other behind-the-wheel training or retraining
- C. Training scheduled during regularly scheduled driving time
- D. Post-accident retraining

Bus drivers and aides shall be paid at the waiting time rate for all other trainings and meetings.

22.14 **PAY RATE FOR SUBBING OR TEMPORARY ASSIGNMENTS** Employees shall not be paid at a lower wage rate due to temporary assignment; or subbing; or temporarily assuming the responsibilities or position of another employee. The employee shall receive the higher of the two pay grades as follows:

- A. If the employee's regular pay is higher than the grade of the temporary assignment, the employee will be paid at his/her own rate of pay for all hours in the temporary position.
- B. If the employee's regular pay is lower than the grade of the temporary assignment, the employee will be paid at the pay grade of the temporary assignment and at the step nearest to but not lower than his/her regular pay rate for all hours in the temporary position.

This section shall not apply to laid off bus drivers who are subbing or filling temporary vacancies, which are covered in Sections 14.07 and 18.07C respectively.

22.15 **CONFERENCES** Requests to attend job-related conferences shall be submitted for approval on a form provided by the Employer. If the employee's request is approved, the employee shall be paid at the waiting time rate for the hours spent at the

conference, including lunch and breaks, but excluding travel time and overnight time. The District shall also pay any registration fees required.

- 22.16 **PAY RATE WHEN CHANGING CLASSIFICATIONS** An employee who transfers to a higher classification shall be paid at the pay rate for the higher classification that is nearest to, but not less than, the employee's pay rate prior to the transfer for thirty (30) calendar days. Upon satisfactory completion of this 30-day probationary period, the employee will advance to the next higher step for the new classification. In the event that the immediate supervisor determines that performance during this probationary period was unsatisfactory, the employee will return to his/her prior position and pay rate, without loss of time. An employee who transfers to a lower classification shall be paid at the pay rate applicable to the lower classification that is nearest to, but not greater than, the employee's pay rate prior to the transfer.
- 22.17 **PAYROLL DEDUCTIONS** Upon appropriate written authorization from the employee, the District shall deduct from the salary of that employee deductions mutually agreed to by the District and union.

- After an employee has been assigned a regular run, upon request, he/she will be reimbursed for the actual costs of renewing licenses and for certifications/licenses required for the employee to perform his/her job or position.
- 22.20 **FIELD TRIPS IN WEST OTTAWA, HOLLAND, AND ZEELAND PAID AT STRAIGHT TIME** Field trips in the West Ottawa School District and to Holland and Zeeland will be paid at straight driving time for all hours.
- 22.21 **PAY FOR REWRITING ROUTES** Bus drivers will be paid at the waiting time rate for the time necessary for initial writing and re-writing their route instructions with prior notification by the Transportation Director or designee.

**ARTICLE 23
FRINGE BENEFITS**

- 23.01 **TRANSPORTATION DEPARTMENT INSURANCE BENEFITS** The District will notify the Association of the three medical plan options annually by September 1st.
- 23.02 **SINGLE SUBSCRIBER HEALTH – 6 to 8 Hour Employees** For all bus drivers and bus aides who are regularly scheduled to work at least thirty (30) hours per week, the Employer will pay \$600 per month towards the cost of single health insurance beginning January 1, 2022. The monthly amount will not change during the duration of this agreement.

The remaining annual cost for the employee's elected medical plan premiums shall be paid by the employee. The employee's premium contribution will be payroll deducted, in equal amounts from each employee paycheck through the District's Section 125 Plan provided the appropriate forms are submitted by the stated deadlines. The employer's "qualified Section 125 Plan" shall include any and all of the provisions necessary for pre-tax contributions to employee's HSA accounts. These deductions will occur over 18 pays from October 1st through June 15th each school year.

Employees eligible and not electing a medical plan must provide the Employer, each year and during open enrollment, annual proof of minimum essential coverage through another employer/provider. Employees not electing a medical plan shall receive \$500/month as cash-in-lieu: payable on a bimonthly basis

- 23.03 **INELIGIBLE BUS DRIVERS AND BUS AIDES** Bus drivers and bus aides who are not eligible for Employer-paid health insurance may purchase health insurance at their own cost, subject to the rules of the carrier.
- 23.04 **DENTAL INSURANCE** Bus drivers and bus aides who are regularly scheduled to work at least six (6) hours per day will be eligible for district paid full-family dental insurance. This coverage will be chosen by the District.

- 23.06 **MEDICAL AND DEPENDENT CARE REIMBURSEMENT PROGRAM – FLEXIBLE SPENDING PLAN** A Flexible Spending Account Plan is available for employees. Best Flex is a program established by West Ottawa and allowed under Section 125 of the Internal Revenue Code which allows participants the opportunity to pay for certain medical, dependent care, and/or insurance premium conversion plan expenses with pre-tax rather than after-tax dollars. Employees must fill out forms before the start of the plan year. Forms and information may be obtained from the Human Resources Department.
- 23.07 **INSURANCE YEAR** All contributions will commence on October 1 of each year and will continue through June 15 of each year for employees who complete the full school year. Any bus driver or bus aide working the full school year will receive full year's benefits from September 1 through August 31.

- 23.08 **TERMINATION OF INSURANCE BENEFITS** Terminated employees shall have their benefits discontinued on the first day of the month following the end of their employment. Unless they are terminated at the end of the school year.
- 23.09 **REPORTING CHANGES IN FAMILY STATUS** Employees are required to report all changes in family status to the Human Resources Department within 30 days of the change. The employee shall be responsible for any overpayment of premiums made by the Board on his/her behalf for failure to comply with this paragraph.
- 23.10 **ELIGIBILITY** To be eligible for the above coverage (or increase in coverage), employees must be able to perform the “at work requirements” of the carrier(s) before benefits are effective.
- 23.11 **MULTIPLE CLASSIFICATIONS** When an employee works in more than one (1) classification in the bargaining unit or outside of the bargaining unit for the Employer, the Employer shall calculate fringe benefits based upon the total number of hours worked for the employer.
- 23.12 **DEFINITION OF “REGULARLY SCHEDULED”** For the purpose of determining insurance coverage, each employee’s “regularly scheduled” hours shall be calculated after runs have been bid in the fall. The employee shall be given a copy of this calculation and both the employee and Director of Transportation shall sign the calculation. If the employee and Director of Transportation don’t agree on the calculation, a meeting shall be scheduled with the employee, Director of Transportation, union representative and Assistant Superintendent for Business to attempt to resolve the matter.

In the event that the employee changes positions or runs, the Employer shall recalculate the regularly rescheduled hours for the remainder of the year, and shall recalculate the Employer-paid benefits for the remainder of the year. In the event that an employee’s schedule is changed by more than fifteen (15) minutes per day, and this will affect the employee’s eligibility for insurance, the Employer shall recalculate the “regularly scheduled” hours for the remainder of the year, and shall recalculate the proration of Employer-paid benefits for the remainder of that year. Any recalculated prorations shall not be applied retroactively. In the event that the employee voluntarily elects to reduce their regular run, dropping them below benefit level employment, the district will discontinue the medical contribution or cash in lieu benefit on the first day of the subsequent month.

The term “regularly scheduled to work” means the number of hours per day (or week) that are part of the bus drivers and aides bid runs. The term “regularly scheduled to work” shall not include field trips, special runs, summer runs, substituting for another driver, or overtime.

**ARTICLE 24
FILES AND FOIA**

- 24.01 Before any written document is placed in an employee's personnel file, the following shall be done:
- A. Any document about an employee or employees that is to be placed in a file shall be put in writing and dated. In addition, disciplinary actions and/or complaints shall conform to the requirements contained in Article 5 above. Documents that do not contain all of this information shall not be included in the employee's file;
 - B. The employee shall be given a copy of any such document(s) which reflects adversely upon the employee before or when it is placed in his/her file;
 - C. The District shall correct or expunge from all District files any information determined by the District and/or an arbitrator to be inaccurate.
- 24.02 The employee shall have the right to submit a written response to any material placed in his/her file, and this response shall be attached to all copies of the written document, including but not limited to all copies provided to all third parties.
- 24.03 In the event that any material from an employee's personnel files is provided to any third party (who is not an agent of the District), the employee shall be notified of the name(s) of the parties that received the information, and shall, upon request, be given a copy of all information provided to the third parties.
- 24.04 If the District releases any material from an employee's personnel file, the District shall simultaneously release the corresponding employee's response(s) to the material.
- 24.05 In the event that the District receives a Freedom of Information Act (FOIA) request for the personnel file(s) of any employee(s), or any portion thereof, the District shall immediately notify the employee and shall provide the following to the affected employee(s) and to the Union:
- A. A copy of the FOIA request and all communications related to the FOIA request.
 - B. The name(s) of the requesting parties.
 - C. The District shall take the maximum time allowable by law to respond to a FOIA request to allow the employees and/or Union the opportunity to take whatever legal action is available to bar disclosure of any or all of the requested document(s).
 - D. The employee will be provided an opportunity to review the contents before the release of the information, and will, upon request, be provided with copies of all communications and documentation sent to the requesting parties by District administrators or other District agents or attorneys.

- 24.06 Upon receiving a FOIA request, the District will only divulge those public records it is compelled by law to disclose, and will withhold all public records it is permitted by law to withhold.
- 24.07 Records of disciplinary action which are more than four (4) years old shall not be released to any third party, except as required by law.
- 24.08 Each employee shall have only one (1) "personnel file," to be kept in the District's central office.
- 24.09 Individual administrators may maintain separate "administrative files" containing documents not in the personnel file, and regarding employees if they are kept in the sole possession of the administrator and are not shared with or accessible to others. A record regarding an occurrence or fact about an employee kept in an administrative file should be entered into the employee's personnel file within six (6) months of the date of the occurrence or the date the fact becomes known if it is to be used relative to the employee's qualifications for employment, promotion, transfer, additional compensation, or disciplinary action.
- 24.10 The parties recognize that this Agreement is based on their best mutual understanding of current law in this area; they agree to meet to discuss changes should further judicial proceedings or legislative action so require. The parties understand that a binding interpretation by the courts supersedes this Agreement.
