FERPA (Family Educational Rights and Privacy Act) laws, no personal information will be given regarding positive COVID-19 cases.

When WO administrators receive notification of a positive case, they connect with the county health department who traces, and directly contacts those in close contact of that person. WO will notify the school family of the case and the actions taking place.

with a positive case. A student or staff member in quarantine does not equal a positive case, as they could be in quarantine due to direct contact or displaying symptoms.

*Quarantine includes confirmed close contacts only. Students who miss school while awaiting test results due to symptoms but subsequently test negative or receive an alternative diagnosis are not included.
