## West Ottawa Public Schools

## SCHEDULE OF MEDICAL BENEFITS

Preferred Provider Organization (PPO)- High Deductible Health Plan (HDHP) - 3500 PH06 Effective Date: January 1, 2026

Benefit Year: The-12-month period beginning each January 1 and ending each December 31.

**Preferred Benefits** are provided by your primary care provider (PCP) or by a participating provider for office services. Services may require prior certification with the Benefit Administrator when prior certification is considered necessary (except in a medical emergency). Referrals by your PCP to a non-participating provider must also be prior certified by Priority Health. For a directory of Priority Health and Cigna Open Access participating providers, call the Customer Service Department at 616 956-1954 or 800 956-1954 or access the Find a Doctor tool on the Priority Health website at priorityhealth.com.

**Alternate Benefits** are not coordinated through your PCP, and are provided by non-participating providers. Services may require the satisfaction of deductibles, coinsurance, and are subject to reasonable and customary charges. Some benefits must be prior certified with the Benefit Administrator when prior certification is considered necessary (except in a medical emergency).

**Prior Certification:** Prior certification is required for all inpatient hospital or facility services. Providers must access the Priority Health provider portal to prior certify services. You do not need prior certification from the Benefit Administrator for hospital stays for a mother and her newborn of up to 48 hours following a vaginal delivery and 96 hours following a cesarean section. Other services requiring prior certification are:

- Home Health Care
- Skilled Nursing, Sub acute & Long-term Acute Facility Care
- Inpatient Rehabilitation Care
- Durable Medical Equipment over \$1,000
- Clinical Trials (all stages) for Cancer or a Life-threatening Illness/Condition
- Transplants
- Advanced Diagnostic Imaging Services
- Prosthetic Devices over \$1,000
- Certain Surgeries and Treatments

The full list of services that require prior certification is included in the Plan Document and Summary Plan Description (PDSPD) and may be updated from time to time. A current listing is also available by calling the Priority Health Customer Service Department at 616 956-1954 or 800 956-1954. Other services may be prior certified by you or your provider to determine medical/clinical necessity before treatment. Prior certification is not a guarantee of coverage or a final determination of benefits under this Plan.

If you are receiving intensive treatment for mental health services, including inpatient hospitalization and partial hospitalization, your provider must notify the Behavioral Health Department as soon as possible at 616 464-8500 or 800 673-8043.

## **Deductibles:**

The deductible is the dollar amount of covered services you must incur during the benefit year before benefits will be paid. The deductible is applicable to all covered services except:

- Preferred preventive health services that are listed in Priority Health's preventive health care guidelines when provided by a participating provider.
- Preferred routine maternity services provided in your physician's office (deductible will apply to delivery, facility charges and anesthesia charges associated with the delivery) when provided by a participating provider.

The Preferred Benefit Level and Alternate Benefit Level deductibles are calculated separately. You must meet the deductible at the Preferred Benefits Level before benefits will be paid for services you seek under the Preferred Benefits. If you choose to use the Alternate Benefits, you must meet the deductible at the Alternate Benefits Level before benefits will be paid for services you seek under the Alternate Benefits.

If you have individual coverage, you must meet the individual deductible below. If you have more than one person in your family, you have family coverage and only the family deductible applies. The family deductible can be satisfied by only one family member or by any combination of family members.

1 January 1, 2026 PPO HDHP Plan - 3500 PH06 789200

The deductible amounts renew each benefit year. The preferred deductible will include any monies paid for covered pharmacy services.

Notwithstanding the above, the following costs do not apply towards the deductible: Services that exceed the annual day or dollar benefit maximum for a specific benefit (denied as non-covered services).

## **Out-of-Pocket Limits:**

The out-of-pocket limits the total amount of covered expenses that you or your covered dependents will pay during a benefit year. Once the applicable out-of-pocket limit for the Preferred Benefits Level is met, all further medical covered services for that benefit year for Preferred Benefits will be paid at 100% of Priority Health's contracted rate. Once the applicable out-of-pocket limit for the Alternate Benefits Level is met, all further medical covered services for that benefit year for Alternate Benefits will be paid at 100% of the lesser of billed charges or reasonable and customary charges.

The amounts calculated toward the Preferred Benefits out-of-pocket limits do not apply to the amounts calculated toward the Alternate Benefits out-of-pocket limits, nor do the amounts calculated toward the Alternate Benefits out-of-pocket limits apply to the amounts calculated toward the Preferred Benefits out-of-pocket limits.

If you have individual coverage, you must meet the individual out-of-pocket limit below. If you have more than one person in your family, you have family coverage and only the family out-of-pocket applies. The family out-of-pocket can be satisfied by only one family member or by any combination of family members.

Your out-of-pocket maximum renews each plan year. The Preferred out-of-pocket maximum will include any monies paid for covered pharmacy services.

Notwithstanding the above, the following out-of-pocket costs do not apply toward the out-of-pocket limit: Services that exceed the annual day or dollar benefit maximums for a specific benefit (denied as non-covered services); and, costs paid by participant for Alternate benefits that exceed reasonable and customary.

The following information is provided as a summary of benefits available under your plan. This summary is not intended as a substitute for your PDSPD. It is not a binding contract. Limitations and exclusions apply to benefits listed below. A complete listing of covered services, limitations and exclusions is contained in the PDSPD and any applicable amendments to the Plan.

Coverage Information	
Waiting Period Requirement	<<30>> days following date employment begins.
Full-Time Employee	<<30>> hours worked per week.
Part-Time Employee	<<20>> hours worked per week.
Retiree Coverage	Not applicable.
Dependent Children	Covered to the end of the calendar month in which they turn age 26. Over age 26 if mentally or physically incapacitated dependent.
Motor Vehicle Injuries	This Plan is considered to be the primary policy
Motorcycle Injuries	This Plan coordinates with the motorcycle insurance policy.

In accordance with the terms and conditions of the PDSPD, you are entitled to covered services when these services are:

- A. Medically/clinically necessary; and
- B. Not excluded in the PDSPD.

You will be responsible for services rendered that are beyond those prior certified as medically/clinically necessary.

If the hospital confinement extends beyond the number of prior certified days, the additional days will not be covered unless:

- The extension of days if medically/clinically necessary, and
- Prior certification for the extension is obtained before exceeding the number of prior certified days.

7 **WOPS** January 1, 2026 PPO HDHP Plan – 3500 PH06 789200 For emergency admissions, the Benefit Administrator should be notified as soon as reasonably possible.

Coverage maximums up to a certain number of days or visits per benefit year are reached by combining either Preferred or Alternate Benefits up to the limit for one or the other but not both. (Example: If the Preferred Benefit is for 60 visits and the Alternate Benefit is for 60 visits, the maximum benefit is 60 visits, not 120 visits.)
